MOVING? Please use new inside  
address and phone full information. Mail  
log list in time on Friday for following  
week.

In recent years the idea that  
Americans to all lines of business were  
amateur and more efficient than  
anybody else in the world has  
been shaken to its very foundations.  
Look at steel, autos, shoes, fabrics,  
clothing... you name it, whether it was  
manufacturing, agriculture, mining, oil  
or whatever, developing and already  
developed countries have been giving  
us fits.

Those American enterprises that are  
beating the foreigners to the punch are  
numerous and a lot of our old line enter-  
prises are changing their act to fit to-  
day's needs and to beat the competition.

Having been associated with the  
livestock business all of our adult life it  
has been an increasingly painful obser-  
vation for us to watch our livestock

## Spectacular Entertainers, Championship Rodeo, New Livestock Shows, Auction Sales Highlight This Year's Event

Houston - Spectacular entertainment, new innovative staging and a quinquennial event are announced tonight for the upcoming Houston Livestock Show and Rodeo, Feb. 15 through March 2.

The 19 entertainers scheduled to appear are Willie Nelson, Tuesday, Feb. 18 for the Sesquicentennial extravaganza; Alabama, Wednesday, Feb. 19; Mac Davis, Thursday, Feb. 20; Ricky Skaggs, Friday, Feb. 21; Kool & The Gang, Saturday, Feb. 22; matinee performance only; Anne Murray, Saturday, Feb. 22, evening performance only; Cherley Price, Sunday, Feb. 23, matinee performance only; The Oak Ridge Boys, Sunday, Feb. 23, evening performance only; Julio Iglesias, Monday, Feb. 24; Conway Twitty, Tuesday, Feb. 25; Don Williams and The Judds, Wednesday, Feb. 26; Larry Gatlin & The Gatlin Brothers Band, Thursday, Feb. 27; George Strait, Friday, Feb. 28; Ronnie Milsap, Saturday, March 1, matinee performance only; Barbara Mandrell, Saturday, March 1, evening performance only; George Jones and Gary Morris, Sunday, March 2, matinee performance only; and Merle Haggard, Sunday, March 2, evening performance only.

Mayor Kathy Whitmire presented the mayor's proclamation of Go Texan Day. The official Go Texan Weekend is kicked off Saturday, Feb. 15 with the downtown parade.

Horse show competition begins Wednesday, Feb. 12 with the livestock show opening on Saturday, Feb. 16 and the first rodeo performance scheduled for Wednesday, Feb. 19. All evening rodeo performances begin at 7:45 p.m. with Saturday matinee at 11 a.m. and Sunday matinee at 1 p.m.

Tickets are \$8.50 and \$4 and are available at the Shamrock Hilton, Houston, and the Houston Livestock Show and Rodeo. Other shows include the "English Breed Showcase" and the "Other Breeds and Other Grassed Steers" have been combined into one show, "Other Breeds and Cossau-Bred Steers."

Also next year, two new auctioneers take to the clog at the junior market auctions. Due to the retirement of Walter Britton, Show auctioneer for 46 years, Charles Rollins, Fort Worth, Texas, and Ike Hamilton, Monroe, Louisiana, will assume auctioneer duties.

Special cattle shows scheduled to be held in conjunction with the Houston Show this year include the International Brahman Show, the International Brangus Show, the National Charolais Show, the International Charabray Show, the National Fullblood Chianina Futurity Show, the Southern Cattle Master-Anjou Show, the Southern National Red Poll Show and the Champion of Champions Simmental Show.

Other changes in the 1986 Show include the following: In the open show, the Brahman Show will have two divisions, Red Brahman and Grey Brahman, and the Open Angus Show will be a recognized point show.

In the junior show, exhibitors will be allowed to enter only one turkey, open and junior show exhibitors will have separate arrival and show times, exhibitors must be members of a 4-H club or FFA chapter within the state of Texas to exhibit and they must be in third grade or 9 years old but not more than 19 years old on Jan. 1, 1986. Also, age shows are the "English Breed Showcase" and the "Other Breeds and Other Grassed Steers."

### Feedlot Trade Opened Uneven

Amorillo, Feb. 4 (F-S) - Trade fairly active in Penheadia area Monday. Slaughter steers fully 50 higher, heifers steady to 50 higher. Feedlots reported fairly good interest and inquiry from the buying sources. Sales on 10,500 slaughter steers and 4,600 heifers; 28,600 head sold for the week to date. Steers: good and mostly choice 2-3, 70-85% choice; 1075-1150 lbs. 62.50-65.00. Mixed good and choice 2-3 1100-1225 lbs. 57.50-58.00. Heifers: good and mostly choice 2-3 950-1000 lbs. 57.00-58.00. Mixed good and choice 2-3 950-1000 lbs. 56.00-57.00. Pen good and (CONT. ON PAGE 28A)

Ed Prieamayer of Austin, Texas exhibited the grand champion steer of the 1986 Southwest Exposition and Fair Stock Show in Fort Worth. His steer, Panama, was sired by the Chianina bull Sugar Ray and was bred by Bobby May of Mineral Point, Wisconsin. The 1,245 lb. steer sold in the Premium Auction on Saturday, February 1 for \$30,000 to Melville Liquor Stores, owned by Tom and James Leggett and John McMillan of Cooco Distributing Company.

### Lying Gets Nod To Head USDA

Richard Lyng, a former Agriculture Department deputy secretary with long-time ties to the Reagan administration, Wednesday was named secretary of agriculture by President Reagan. Lyng, 67, who served as director of California's agriculture agency during (CONT. ON PAGE 7A)

### USDA Officials Say No Decisions Made On Budget Cuts

Washington, (KRP) - USDA budget officials told the House Agriculture Committee they had not yet decided how to implement necessary cuts under the Gramm-Rudman balanced budget act, but loan payments will be cut. Stephen Devhurst, USDA budget director, said he hoped USDA would reach a "resolution of all the issues in the next very few days." He said cuts in USDA programs would have to be made on "good faith" throughout the (CONT. ON PAGE 28A)

### Fed Cattle Lower, Hogs Mostly Easier At Markets Monday

Market supplies of slaughter cattle were about level with last Monday and the receipts of hogs were about 2,000 larger than a week ago. Fed cattle prices were lower by mostly 50c to \$1, except those referring to last Monday, which were \$2 to \$3 off. Slaughter cows were uneven at these markets, and bulls were largely steady. Monday's estimated cattle kill at 121,000 was 11,000 below a week ago and 2,000 over a year earlier.

Hog prices were rather mixed a couple of points reporting better rates, and the majority were weak to unevenly lower. Price trends, quotations on choice and prime steers and heifers and the mixed good to choice grades and on good to choice Holstein steers and on U.S. 1-8 hogs, scaling mostly 200 to 280 pounds included: (CONT. ## BARNHART RANCHES

SALERS • BRALERS • HEREFORDS • BRAFORDS

Consigned to the Cattleman's Choice Bralers Sale  
February 17, during the Houston Stock Show

Selling 1/2 embryo interest

### BR Princess 312S6

Halfblood Bralers Female  
Sire: Prince Dam: Hudson's Fancy Lady 312/1  
Birthdate: 7/7/84

One of the greatest young halfblood Bralers females in America. She is sired by Prince who is without a doubt the most popular Salers breeding bull in North America. Prince has created \$376,000 in revenue from semen, certificates and shares in 2 1/2 years. His offspring have consistently been winners in the show ring, performance tests and production sales. The dam, Hudson's Fancy Lady 312/1 is a daughter of the number one Register of Renown cow SW Saddle's Fancy Lady 300. She is a half-sister to SW Ms Especial Vernon 357 who was the youngest Brahman female to be named International Grand Champion Female, winning this title at eleven months. BR Princess 312S6's dam, 312/1, is a proven embryo donor producing 40 transferable embryos as a virgin heifer.

BR Princess 312S6 has proven herself in the show ring. At the Gillespie County Fair this heifer won her class, was Junior Champion and Grand Champion in competition against halfbloods, quarterbloods and three-quarterbloods. At the Washington County Fair she stood second in her class to her full sister who won the class and was Grand Champion Female. She is a full sister to Red Baron 1, who has been Grand Champion several times and was syndicated for \$25,000 for a 1/2 semen interest.

We are offering for sale a 1/2 embryo interest, no possession and no natural calves. The heifer will be flushed at the Barnhart Ranch Embryo Facilities or at a facility approved by Barnhart. This also includes two pregnant recipients, one from each of her two full sisters, BR Princess 312S2 (to calve early September), and BR Princess 312S3 (to calve in early July). All three sisters will be on display at the show and sale.

Selling 3/4 interest

### BR Prince 18S

Fullblood Salers Bull  
Sire: Prince Dam: Ms Marilyn 33M  
Birthdate: 2/9/84

BR Prince 18S is an outstanding herd bull prospect from our show string. He was first in his class and Reserve Champion Fullblood Salers Bull Calf at the Grand National in San Francisco where he and his full sister, Princess I, won the Produce of Dam award. BR Prince 18S was the Reserve Grand Champion Bull at the Colorado County Fair.

"18S" is a powerful representation of the most dynamic bloodlines in the breed. A son of "Mr. Marston" he will be the first bull to be offered for sale out of this operation. She has produced 37 transferable eggs, bred her 1/2 to have a natural calf on first service, A. I. and produced a set of embryo calves that are consistently the same quality throughout. One of her calves, Princess I, was recently named Grand Champion Fullblood Salers Female at The American Royal in Kansas City. Princess I is thought by many of the most highly respected individuals in the beef industry to be one of the greatest females ever produced in the Salers breed. Dr. Brian Ritchie, professor with the Department of Animal Science, Michigan State University, has stated publicly that Princess I is truly a collector's item and comes as close to perfection in the bovine world as any heifer he has ever seen.

BR Prince 18S's sire, Prince, had 1/2 interest sell at the National Western for \$80,000 and has since generated \$376,000 from the sale of semen, certificates and shares. The popularity and earning power of the bull have been tremendous and he has the ability to pass winning traits on to his offspring.

We are offering for sale a 3/4 interest and full possession of the bull.

Selling full interest and possession in this excellent young imported cow!

### Utrera

Imported Fullblood Salers Female  
Sire: Lucky Dam: Louve  
Birthdate: 2/13/83

From the renowned Pessan herd in France, Utrera is the only direct import offered in this sale. Utrera's sire, Lucky, as well as her dam, the Louve cow, are truly great individuals. Her half-sister by Lucky recently sold in the Wirtham dispersal for \$25,000. Utrera has a tremendous amount of milk for a first calf heifer and a great disposition.

She is selling with a November fullblood Salers bull calf at side sired by the Barnhart Ranches' import herd sire Urgent. This will be the first offspring of Urgent ever offered for sale. We are able to offer this great import female for sale

since she has been an excellent embryo producer as a virgin heifer. She has produced 11 transferable embryos on her first flush and 6 transferable embryos on her second flush. Utrera has two Prince calves in our show string at the present time and has another calf sired by Urgent who will be going into the show barn after weaning.

We are offering for sale full interest and full possession in this import cow and her calf at side. She sells open and ready for transplant. All past embryo records are available upon request.

For more information write or call:

### THE WORK IS DONE.

The moment is now to invest in a breed destined to change America's beef cattle industry... AMERICAN BRALERS.

Several years ago, a few seasoned cattlemen invested over \$10 million to lay the foundation of a breed whose time had come. By combining the superior genetics of the Salers, the great breed winning National Carcass Awards year after year, and the timeless Brahman, the Bralers breed was born.

The American Bralers Association proudly announces the first offering of select Bralers and Salers cattle:

THE CATTLEMAN'S CHOICE BRALERS SALE  
HOUSTON LIVESTOCK SHOW & RODEO  
FEBRUARY 17, 1986 • 7:30 P.M.  
SUPER SALE SALON  
ASTROHALL  
HOUSTON, TEXAS

The consignments have been carefully chosen to allow a cattleman the opportunity to develop a quality purebred Bralers program in one breeding generation.

For further information on consignments, please contact:

THE AMERICAN BRALERS ASSOCIATION or MR. DOUG HOLLAR  
(512) 782-3098 Show & Sale Committee Chairman, (409) 830-0889

BR Prince 18S

### Bralers Sale Scheduled For Houston Livestock Show

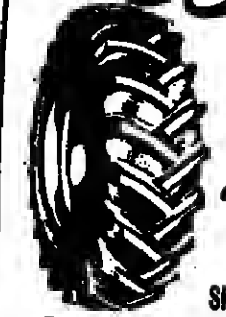

Houston - The "Cattleman's Choice Bralers Sale" is scheduled for the 1986 Houston Livestock Show & Rodeo on Monday, February 17, at 7:30 p.m. in the Astrohall/Astrodome complex in Houston, Texas.

The Houston show for the new breed which represents a 5/8 Salers - 3/8 Brahman cross. The Cattleman's Choice will feature 25 select 1/4, 1/2, and 3/4 blood percentage Bralers cattle.

The sale will include a variety of investment opportunities for commercial and purebred cattlemen interested in beginning or improving their Bralers program.

For details on the Houston sale, contact: Mr. Doug Hollar, ABA Show & Rodeo, P.O. Box 1200, Houston, Texas 77255.

Feeder heifers: medium & large frame no. 1: 400-500 lbs, 56.00-60.00, medium and thin to 62.00; 500-600 lbs, 53.00-56.50. Medium & large frame no. 2: 400-500 lbs, 48.00-53.00.

### Stuph & Thangs

(CONT. FROM PAGE 1)

business take it on th' chin whether it was importa lack of marketing skills or melere of efficient production.

thrust of the recent National Gettomon's Assn., meeting in San Antonio focused th' cattlemen's attention on their customers. Not th' most peckers who had their attention through th' years, but the ultimate consumer himself or herself.

Time was when all th' cattlemen had to do was concentrate on pleasing th' packers or th' feeders. These primary targets worked for a long time, but today a lot more attention has to be paid to th' gals & guys in th' kitchens and at th' tables.

We recall vividly when hot weather set in th' red meat business went into a lull. Packers explained it by sayin' there ain't no way you are gonna git those housewives to stand over a hot stove and sweat out cookin' roasts or even steaks. So th' table fare changed and th' cattle markets, as well as sheep and hogs, skidded.

The revolution in marketing, th' decentralization of th' meat business that started with World War II continues. This awareness of our basic livestock producers that th' Consumer holds th' key to their future is long overdue.

We are willing to bet more than we can afford to lose that changes in th' red meat business are still in our future. Those who do not adapt and apply their skills to pleasing th' eaters, will find

teaching profession has turned into somethin' similar to a Pier Six Brawl. Stey tuned, folks, th' best is yet to come! Dunk claims there has not been an earthquake like th' Gramm-Rudman in many a long year. Th' bellerin' & bowlin' among those feeding on th' Govmint Pork Barrel is music to th' ears of us pore ol' sore taxpayers - Theasall, Brothel!

What the Government gives you the Government can take away, and once it starts taking away it can take more than it gave.

## Lyng Gets Nod To Head USDA

(CONT. FROM PAGE 1A)  
Reagan's term as governor, was an assistant secretary in USDA in the Nixon administration and was No. 2 man in the Agriculture Department in the Reagan administration until he left last year to open a lobbying company. In a brief Oval Office ceremony Wednesday, the president praised Lyng's political experience but added that his new appointee was a "working farmer" like the outgoing secretary, John Block, who announced his resignation Jan. 7 effective in mid-February. It picked one that's been a pretty hard-working farmer most of his life, Reagan said. "Just because he isn't on a tractor right now doesn't mean he isn't a farmer." On Capitol Hill, where Lyng has a reputation as a skilled administrator and a savvy political insider, legislators said his appointment would face little opposition in Congress. But like Rep. G. V. Dorgan, D-D.C., who labeled Lyng a "chip off the old block," many members also said his appointment signaled that there would be no shift in the administration's goal of pushing more farmers out of government.

"I know the selection of Dick Lyng will not change the basic direction of this administration's farm policy," said Rep. E. "Kika" de la Garza, D-Texas. "But... he is an able, knowledgeable and skillful man who will come to his new job with a stockpile of good personal relationships in Washington." Most observers predict Lyng will need that good will in the coming months. As agriculture secretary, he will have to guide the implementation of a controversial — and expensive — new farm program at a time when U.S. farmers face their worst financial crisis since the Depression. "The American Farm Bureau Federation 'Applauds' President Ronald Reagan's nomination of Richard Lyng as Secretary of Agriculture," APB President Devo Kleckner said. The APB, the nation's largest farm organization, looks forward to working with Lyng "as he implements a farm program designed to improve farmers' net income," Kleckner said. "Dick Lyng has a proven record of managerial ability. He is capable of achieving results while working within the federal bureaucracy," Kleckner said, noting the APB has worked closely with Lyng in the past. "The USDA secretary is granted a wide array of discretionary powers under the 1985 Farm Act," Kleckner said, adding that "farmers feel fortunate to have a respected man like Dick Lyng working for them in Washington."

## Apache, Okla.

Apache, Jan. 31 (U.S.) — Receipts 225. Feeder cattle and calves 1.00-2.00 higher. Slaughter cows and bulls 2.00 higher. A Nebraska entry topped the Drangus Pen Dull Show at the National Western Stock Show in Denver, CO. Windy Acres Brangus, Harrison displayed three sons of Extra of Brinka, calved between March 3, 1984 and May 7, 1984 for Championship honors. (Photo courtesy of International Brangus Breeders Association).

Double H Ranch, Lamoni, IA collected reserve champion honors in the National Western Brangus Pen Bull Show in Denver, CO. The bulls calved in September 1984 were sired by Sir Flint III 195 and Jazz of Brinka. Judges for the show were Dr. Bob Kropp, Stillwater, OK and Mike Lettunich, Payetta, ID. (Photo courtesy of International Brangus Breeders Association).

Ray Dros, Brangus of Aloha, Oklahoma were recognized for their accomplishments in animal breeding at a recent Oklahoma Brangus Breeders banquet held in Stillwater, Oklahoma. Dr. Charles McPeak of the Animal Science Department, Oklahoma State University made the presentation. The plaque reads: PRESENTED TO RAY BROTHERS FOR OUTSTANDING RECORD GAIN OF 8.11 POUNDS AVERAGE DAILY GAIN AT OKLAHOMA DEEP INCORPORATED FOR BILANGUS BULL 8354, TEST ENDING MAY 17, 1985.

### Texas Angus Futurity Sale Avg. \$1,443

A standing room-only crowd gathered to attend the 1986 Texas Angus Futurity Show and Sale held during the Southwestern Exposition and Fair Stock Show in Fort Worth, Texas on January 25. Twenty-eight lots grossed \$41,880 to average \$1,443.

High selling lot was a consignment of R & J Ranch of Briggs, TX. R & J Do 2734, an October 1984 daughter of Pine

Drive Big Sky that was earlier selected as the grand champion female in the futurity show, brought a bid of \$3,500 going to Delle Point Angus Ranch of Lavaca, Arkansas.

Premier Angus, Inc. of Cloverdale, Indiana gave a nod of \$3,200 for Hales Miss Bravo Queen, a February 1985 daughter of E & W Bravo. She was a consignment of Richmond Hales of Canyon, Texas. Riverside Farms of Hamilton consigned Revolution Betty 5106 RF, a March 1985 daughter of High Voltage that sold to Delle Point Ranch for \$2,800.

High selling bull in the sale was R A Rny, consigned by J K Angus of Lockney. This January 1985 son of Greenbrae Chairman brought \$2,550 going to Vernon Schmidt of McGregor. The reserve grand champion bull of the show was consigned by Rolling Oaks Ranch of Burkett, ROR Chairman ARV, a March 1985 son of Greenbrae Chairman, sold to Caley and Mitchell Ranch of Bryson for \$2,000. Reserve grand champion female of the futurity was consigned by Rolling Oaks Ranch of Burkett. ROR Lass 123T, a November 1984 daughter of Pine Drive

The All-American Futurity features the industry-standard Futurity show classification, cow/calf divisions for both natural and embryo calves, and the only odder competition in the Angus breed. A special added attraction will be the Sixth National Embryo Auction, which has become an All-American Futurity tradition. The 1986 All-American Futurity will feature over \$40,000 in cash premiums, ribbons, trophies, and banners.

Nomination and entry forms are available by contacting The American Angus Breeders' Futurity, Joe Bill Meng, Manager, 1183 Meng Road, Bowling Green, Kentucky 42101. Telephone 502/829-3421 or 509/829-0034.

### Gillmor Re-elected, Leads Woolgrowers

Salt Lake City - Stephen Gillmor, Salt Lake City sheep rancher and former Utah commissioner of agriculture was elected to his second one-year term as President of the National Wool Growers Association (NWGA), which represents over 100,000 sheep producers nationwide. The organization met for its annual convention Jan. 19-23 in San Diego. Gillmor, owner of the Stephen & Gillmor Sheep Company, previously served as commissioner of agriculture under Utah Governor Scott Matheson. He was elected as president of the American Sheep Producers Council and on numerous other agricultural boards and commissions. As President, Gillmor is responsible for overseeing all NWGA legislative and educational programs. Other officers elected were: Robert Geaney of Myrtle Point, OR, vice chairman; Norman Palin, Elk Mountain, WY, secretary; and Gene Bruno, Fountain town, IN, treasurer. Founded in 1884, the NWGA is the nation's oldest livestock organization. Its headquarters are in Salt Lake City.

Grand champion bull of the show was R & J Austin 515, a February 1985 son of R & J Austin 13 consigned by Hilltop

was managed by the Texas Angus Association, the American Angus Hall of Fame of Smithville, Missouri acted as sales consultant and the auctioneer was Charles Rollins of Fort Worth, TX.

## Is there any future in feeding elephants?

Check your feedlot profits. If they don't look as big at market time as when you put those elephant-sized cattle on feed, maybe it's time for a change. To Angus.

Unplanned breeding with a variety of exotic breeds has created far too many mongrelized commercial cows. Feeder cattle from these herds have little predictability or uniformity. What's more, size has little to do with improved profits. Fact is, it can lower them.

What counts in the feedlot is predictable, bred-in performance and uniformity. And whether you're a rancher or feedlot operator, you know there's more profit in cattle bred to grow fast and efficiently—that will grade USDA Choice with yield grade 3 or better at the ideal slaughter weights of 1,050 to 1,200 pounds.

That's what you get with Angus or Angus-cross: feeder cattle sired by top quality, performance-tested Angus bulls.

So if you're not getting the predictably high performance—and profits—you need, maybe it's time to change your program to Angus-sired cattle. Angus... The Business Breed.

### Crowning Event To Highlight Annual Brangus Convention

The International Brangus Breeders Association (IBBA) and Brangus Publications, Inc. (BPI) will celebrate the completion of their new headquarters located in San Antonio, TX during the annual IBBA convention in Houston, TX on February 18-21, 1986.

The Crowning Event will feature a benefit auction and cocktail reception on February 19, 1986 at 6:00 p.m. in the Emerald Room of the Houston Shamrock Hilton. Proceeds from the event will go toward the funding of the new headquarters.

The offering includes embryo flushes from ten of the best available Brangus females culled in 1983 and 1984. Brangus breeders have graciously

donated the flushes which were carefully selected by eight respected and knowledgeable cattlemen. The heifers and donors include: Bar Six Aztec's Lady 26S - Canning Ranches, Roswell, NM; CCR Ma Extra Special 198R16 - Fall Creek Ranch, Austin, TX; CCR Ma Lavon 45S12 - Cow Creek Ranch, Mocksville, NC; Curo Extra 7/81 - Travis Lindgren and Cauto B Ranch, Lexington, TX; Miss BB Extra 136R0 - "La Princesa" - Stricks Brangus, Slaterdale, TX; Miss BB Tiny 133S - TK Bar Ranch, Tempe, AZ; Miss CBB Gen Zap 924S - Circle Bar Ranch, Foxworth, MS; Ma DBR Extra 748/52 - Doriguac Brangus Ranch, Bush, LA; Miss Windie 30/R2 - Windy Acres Brangus, Harrison, NE; and WSR King's Miss 3112, Granada Brangus, Wilelock, TX.

Also available for purchase is a 27.5 carat emerald pendant, four, one-of-a-

kind collector's shotguns; two original oil paintings by one of the finest photo-realistic painters in the United States, Robert McCoy, one of which is donated by Ludwig and Judy Brand, Houston, TX, an exquisite hand-carved, 19.25 carat Australian opal pendant; a full length mink convertible coat; and an Italian designed black fox and viteloni suede jacket.

A featured attraction will be the selling of ten granite plaques to be placed in

the walkway leading to the headquarter's entrance. The ten highest bidders will have the opportunity to have their ranch name or logo permanently etched in stone. The plaques will be 12 x 18 inches of granite which endures whatever man and nature offer.

For more information on The Crowning Event and the annual IBBA convention, please contact the IBBA, 5760 Epsilon, San Antonio, TX 78249, phone 512/696-8231.

### CHIANINA Section Is the Fourth Week of Each Month

A spider, some say, is not really a pest because all adult insects have 6 legs, while a spider has eight.

### February 6, 1986 WEEKLY LIVESTOCK REPORTER Page 11A

### Brangus Plan Annual Convention In Houston

Kicking off 1986 for the International Brangus Breeders Association (IBBA) is the 36th annual IBBA Convention and International Show on February 18-21, 1986 in Houston, TX. The Houston Shamrock Hilton will once again serve as the convention headquarters and the prestigious International Brangus Show will be held during the Houston Livestock Show and Rodeo on February 20, at 12:30 p.m.

Activities get under way on Tuesday, February 18 with committee meetings beginning at 12:30 p.m. and running until the evening hours. Wednesday, the 19th, sees more committee meetings followed by seminars beginning at 1:00 p.m. Featured speakers include the world's greatest salesman, Joe Girard; J. David Nichols, Nichola Farms Limited, Bridgewater, IA; and Bill Wilson, general manager of Premier Angus, Cloverdale, IN. An IBBA approved inspectors test will be given at 4:00 p.m. and the evening will conclude with "The Crowning Event" at 6:00 p.m. "The Crowning Event" will include a cocktail reception and benefit auction with proceeds going to the funding of the new IBBA/Brangus Publications, Inc. headquarters.

Beginning Thursday's activities is the IBBA general membership meeting and election of officers at 9:00 a.m. followed by the International Brangus Show at 12:30 p.m. Dr. T. D. "Dusty" Rich of Kansas City, MO, is committed to evaluate the line-up of quality Brangus cattle. The Bluebonnet Brangus Breeders Association will host a cocktail reception immediately following the show at the Super Sale Salon with a Brangus sale to follow at 7:30 p.m.

The IBBA Board of Directors will meet on Friday, February 21 to conclude the convention. All activities will be held at the Shamrock Hilton unless otherwise indicated.

For additional details on registration information, please contact the IBBA, 5750 Epsilon, San Antonio, TX 78249, phone 512/696-8231. The Shamrock Hilton, 7722, phone 712/688-9211.

Selling will be 70 performance tested Brangus bulls.

Auctioneer will be Ruben Reyes. Sale manager will be Pierce Sale Company.

For information contact the Tejas Brangus Breeders Association, Gay Don Hurley, Executive Secretary, 601 East University, Suite 500, College Station, Texas 77840, 409/686-5723.

### Berry Brangus Sets Range Bull Sale At Llano, March 4

Llano, Texas - The Berry Brangus Range Bull Sale will be held Tuesday, March 4, 1986. Sale time is 1:00 p.m. at the Llano Livestock Auction at Llano, Texas.

Selling will be 60 Brangus bulls that are bungs, TB and fertility tested.

Auctioneer will be Ruben Reyes. For information contact Berry Brangus, Dilley, Texas 512/378-5553 or 512/342-1231; or the sale manager, Pierce Sale Company, Box 807, Belville, Texas 77418, 409/865-9104.

### Sophisticated Ladies Brangus Sale At Brenham Set March 15

Brenham, Texas - The Sophisticated Ladies Brangus Sale will be held Saturday, March 15, 1986. Sale time is 1:00 p.m. at the Brenham Convention Center at Brenham, Texas.

Selling will be 40 head of Brangus females from the R & W Cattle Co. Whitetail Plantation, TK Bar Ranch and Hidden Valley Ranch. Many of the top bloodlines in the Brangus breed will be represented. In addition, outstanding females will be offered.

Auctioneer will be Ruben Reyes. For information contact the R & W Cattle Co., Box 84-9220 or the sale manager, Pierce Sale Co., Box 807, Belville, Texas 77418, 409/865-9104.

### Brands Brangus Sets Sale Of Stars For April 5 At Round Top

Round Top, Texas - The Brands Brangus "Sale of Stars" will be held Saturday, April 5, 1986. Sale time is 1:00 p.m. at the ranch at Round Top, Texas.

Selling will be daughters of Extra Romar, Pecos Lad, King, 650, M24, Champ 700 and Levi.

For information contact Linda Brand, Box 33270, Houston, Texas 77083, 713/844-3431 or 713/494-0808 or the sale manager, Pierce Sale Company, Box 807, Belville, Texas 77418, 409/865-9104.

### Willow Springs Ranch Mature Cow & Heifer Sale Set April 12

Burton, Texas - The Willow Springs Ranch Brangus Mature Cow and Heifer Reduction and Select Heifer Sale will be held April 12, 1986. Sale time is 1:00 p.m. at the ranch at Burton, Texas.

Selling will be 100 mature Brangus cows, mostly 3-4 years old and also 50 select Brangus heifers. Some of the heifers are donor prospects. They are daughters of or are bred to many of the leading Brangus sires.

For more information on the sale of the Willow Springs Ranch, contact Willow Springs Ranch, Rt. 2, Box 24, Burton, Texas 77835, 409/838-9645 or Larry Gardner, 409/830-1755; or Ash Marketing Service, Box 2049, Brenham, Texas 77833, 409/830-1758; or 409/830-1788.

The editor of the old New York World once ordered a reporter to "Go to New Jersey and visit the town of Hoboken. Come back with a story we can run under the headline: 'Hokus Pokus Hoboken'."

### World's Greatest Salesman Speaks At Brangus Convention

Dubbed as the world's greatest salesman, Joe Girard will join the International Brangus Breeders Association (IBBA) as the featured seminar speaker during their 36th annual convention in Houston, TX on February 18-21, 1986 at the convention headquarters, The Shamrock Hilton.

The noted motivational speaker and author, Girard has written How to Sell Anything to Anybody, How to Sell Yourself and How to Sell Anything to Anybody (paperback).

Girard's life and career are the American dream come true. Born into poverty, he was a failure for 35 years before he developed a unique selling strategy that made him an outstanding producer and brought him wealth and national acclaim.

In 1977, Girard sold more automobiles and trucks for the 12th consecutive year on a one-to-one basis than anyone else in the world. "All my sales were retail," he states emphatically, "one car at a time." No salesman has ever held both the auto and truck world's title during the same year.

In 1973, Joe sold 1,425 cars and trucks, a world's record which may never be broken. Joe is the only salesman listed in the business section of The Guinness Book of World Records as the world's greatest salesman.

Girard's achievements have been written up in many national magazines and newspapers such as Newsweek, U.S. Magazine, Woman's Day, Successful Living, New York Times, Chicago Tribune, Los Angeles Times and hundreds of newspapers have acclaimed his sales records. Girard has appeared in thousands of programs and news stories on radio and television, and has made personal appearances on such programs as "The Mike Douglas Show," "To Tell the Truth," "What's My Line," "The David Susskind Show" and "Tom Snyder's Tomorrow Show," just to mention a few.

Prior to selling cars, Girard was self-employed as a motivational speaker and a sales training consultant. During his sales career, 1968 to 1977, he sold 13,001 cars, all retail. Most of his time is now spent giving sales rallies and is often asked to be a consultant to sales companies. He is also writing books and is now a columnist for a national newspaper syndication.

Girard will address the convention goes on February 19, shortly after 1:00 p.m. in the Continental Room of the Shamrock Hilton. For additional convention information, please contact the IBBA, 6750 Spaulding, San Antonio, TX 78249, phone 512/696-8231.

### Brangus Convention Seminar Features J. David Nichols

Selling 400 production tested yearling bulls in commercial cattlemen by private treaty is the basis J. David Nichols of Bridgewater, IA will use when he presents his talk to Brangus breeders from across the nation at the International Brangus Breeders Association (IBBA) annual convention on Wednesday, February 19, 1986 at 1:00 p.m. in the Shamrock Hilton, Houston, TX. The annual convention runs from February 18-21, 1986 and is in conjunction with the Houston Livestock Show and Rodeo.

As a partner in Nichols Farms Limited, the southwest Iowa farm is family owned and operated. The diverse operation includes 3,000 acres of land in which 800 acres is in corn, 350 acres in hay and oats and the remaining is in pasture land. The Nichols' purebred cut-to operation consists of registered Angus, Simmental and Salers together totaling over 1,100 head of mother cows. Complete production records have been kept on the Nichols' cattle since 1982.

For additional convention information, please contact the International Brangus Breeders Association, 5760 Euclid, San Antonio, TX 78249, phone 512/696-8231.

Man's work is an extension of himself. It is a revelation of his inner life, both to others and to himself.

# BEEFMASTER BREEDERS UNIVERSAL NEWS

## Cowtown Classic Beefmaster Sale Avg. \$6,147 On 45 Lots

A standing room only crowd gathered to attend the Cowtown Classic Beefmaster Sale held on January 23, 1986 at Barn 0 in conjunction with the Southwestern Exposition and Fair Stock Show in Fort Worth, Texas. Six bulls grossed \$41,500 to average \$8,910, 2 flushes grossed \$24,500 to average \$12,250, 1 donor female grossed \$14,500, 1 five-in-one grossed \$24,500, 0 three-in-ones grossed \$36,000 to average \$4,000, 3 pairs grossed \$18,100 to average \$6,033, 10 bred females grossed \$47,400 to average \$4,740 and 13 open females grossed \$70,100 to average \$5,392. Forty-five lots grossed \$276,600 to average \$6,147.

There were six junior heifers sold, belonging to the junior members, which competed in the first Lone Star Junior Beefmaster Heifer Futurity. These six heifers sold for \$21,700 to average \$3,617.

High selling lot was a January 1981 donor daughter of Robert E. Lee consigned by Victor Boyer. She sold with an August 1984 heifer calf at side by Harlan Joe, a May 1985 bull calf by VSB Bar 1/1 and an August 1985 heifer calf by VSB Bar 1/1. This five-in-one package brought a bid of \$24,000 going to Lee Adair of Corpus Christi, Texas and Timberline Beefmasters of Woodville.

Cedar Creek Farms of Nashville, Tennessee paid \$15,000 for the high selling open heifer, a January 1985 daughter of Kangaroo Pride consigned by 77 Ranch. Lee Adair consigned a flush from the famous donor female Lee Farms 978, a 1978 daughter of Levi. The guarantee of five pregnancies brought a bid of \$14,500 going to Jim Ketchersid of Arlington.

Lee Roy Jordan consigned one-half interest in a 1979 donor female elrod by Dun Dick that sold along with two pregnant recipients. This package sold for \$14,500 going to John Turner of Dallas. Lee Adair of Corpus Christi purchased a 1984 daughter of Pioneer bred to Leroy and consigned by Fred Long for \$12,500. Sam Knight, Jr. Beefmasters consigned a 1984 daughter of Proud Eagle that sold safe in calf to Snooty. She sold for \$12,000 going to Cottage Farms of Jackson, Tennessee.

The grand champion of the Lone Star Heifer Futurity was owned by Amber Dodson. This was a yearling daughter of Hamilton 244 that brought a bid of \$6,500 going to Montgomery Properties of Azle, Texas.

Volume buyer in the sale was Cedar Creek Farms of Nashville, Tennessee. The sale was managed by Thompson Cattle Marketing and the auctioneer was Gerald Bowie.

Never hold anyone by the button or the hand in order to be heard out; for if people are unwilling to hear you, you had better hold your tongue than them.

## Triangle T Sets Beefmaster Sale At Lawton, March 14

Lawton, Okla. - The Triangle T Beefmaster Production Sale will be held Friday, March 14, 1986. Sale time is 1:00 p.m. at the Great Plains Coliseum (at the fairgrounds) in Lawton, Oklahoma. Sale day phone is 406/357-1488.

Selling will be 80 lots of Beefmaster cattle. The majority will be three-in-ones and pairs with many carrying the service of Red Chief and Patron Jr. Also

Joe Yarbro of Three Rivers, TX visits with Jim Martin, owner of La Mejor Beefmasters at the La Mejor Beefmaster Production Sale held at the ranch near Madisonville, TX on December 8, 1985 at the ranch near Madisonville.

selling will be a few herd sire prospects. Guest consignors are Henry Johnson of Lawton, Oklahoma.

For information contact Sam and Dorothy Turner, Triangle T Beefmasters, Rt. 1, Box 2, Devol, Okla.

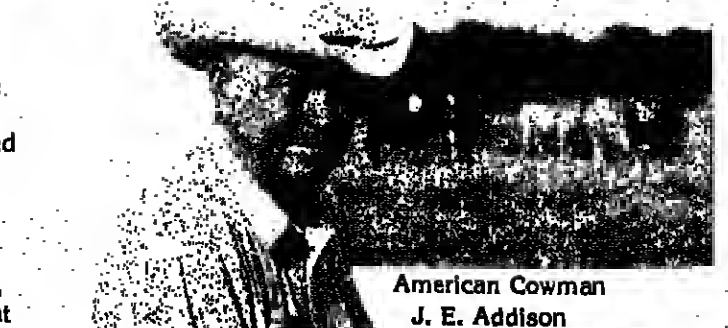

Jim Pace, owner of Pnce Piece Beefmasters at Buffalo, TX, bought one of the high selling lots at the La Mejor Beefmaster Production Sale held at the ranch near Madisonville, TX on December 8, 1985. Also pictured is Tyka Marlin, general manager of La Mejor Ranch.

405/209-3352, or the sale management, Reyes, Mihelski and Manchaca, Box 32828, San Antonio, Tx. 78216, 512/349-2185.

David Brown, owner of Brown Beefmaster near Fort Myers, FL, is seen along with Rod Myers, manager of his ranch, at the La Mejor Production Sale held at the ranch in Madisonville, TX on December 8, 1985. David and Susan Brown purchased several lots in the sale, including the high selling lot sold for \$17,000.

## WEIGHT, WEIGHT AND MORE WEIGHT. REASONS ENOUGH FOR J. E. ADDISON TO SWITCH TO BEEFMASTERS

American Cowman  
J. E. Addison

American cowman J. E. Addison, who raises cattle in North Central Texas, switched to Beefmaster bulls because of solving problems with larger breed European bulls. But he got an extra bonus when his first Beefmaster cross calves were weaned: Steers, 743 pounds; heifers, 672 pounds.

Steers from his second Beefmaster cross calf crop, some of which are shown here, weaned and sold at 725 pounds; heifers, 680 pounds.

"Having a little aar on them helps them sell," Addison says. He also likes the gentle, easy handling nature of his Beefmaster bulls and the calves they produce. Not surprisingly, he has switched completely over to Beefmaster bulls.

Like they did for J. E. Addison, good Beefmaster bulls can put more pounds of beef — and more dollars — in your herd. The need for these better performing bulls has never been greater. The time to switch to Beefmasters is now.

Beefmasters. We're Making The Cattle Business A Little Better.

Harrell Cattle Company also retained one-quarter semen interest in this herd sire. Bnyou Cattle Company of San Antonio purchased a 1981 son of H-241 for \$10,000.

High selling three-in-one consisted of a 1982 daughter of Changer that sold safe in calf to HE 320-83 and with a September 1984 bull calf at side by Legend. This three-in-one package sold to Livingston Ranch of Palestine for \$9,700.

Livingston Ranch struck again paying \$8,000 to own the high selling pair, a 1983 daughter of Spots Jr. that sold with a November 1985 heifer calf at side by Changer. Lazy Oak Road Ranch of LaGrange paid \$5,000 for a 1982 daughter of Miller Creek that sold with a January 1986 bull calf at side by Painted Changer.

Edwards Farms of Reeves, Louisiana bid \$5,000 to own a February 1982 daughter of Levi. She was the high selling bred cow and sold safe in calf to Changer son. Sams Beefmaster of Clatsville, Texas purchased a 1981 daughter of Changer that sold safe in calf to H-810-81 for \$4,900.

Hans Wittenburg of Edna bid \$4,600 for a 1984 Singer bred female that sold with a January 1986 bull calf at side by D3.

Volume buyers in the sale were Livingston Ranch of Palestine, Texas, Hayden Grana of San Antonio, Pig Creek Ranch of Ragland, Louisiana and Bill Adams of Houston, Texas. Both of these sales were managed by Anthony Milulski and Buddy Davis. Auctioneers were Bert Reyes, Anthony Milulski and Ruben Reyes.

## Guldry Beefmaster Sale Avg. \$1,076

A large crowd gathered to attend the Guldry Beefmaster Production Sale held on January 25, 1986 in Nacogdoches,

Texas. Forty two females grossed \$30,500 to average \$940 and 60 females grossed \$70,300 to average \$1,171 for a total of 102 lots grossing \$100,800 to average \$1,076.

High selling lot was a 1984 multiple sired female that sold safe in calf to a multiple sired bull going to Corninski Ranch of Schulenburg, Texas for \$2,300. Corninski struck again, purchasing another 1983 multiple sired female safe in calf to a multiple sired bull for \$2,000.

Corninski purchased the third high selling lot, a 1983 multiple sired female safe in calf to a multiple sired bull, for \$1,900, while Brian Ranch also paid \$1,000 for a November 1983 multiple sired female safe in calf to a multiple sired bull.

Volume buyers in the sale were Chick Cookman of Clayton, Oklahoma and Hope Agr, Inc. of Hope, Arkansas. The sale was managed by Superior Cattle Sales, Inc. and the auctioneer was Gerald Bowie.

A ship ought not to be held up by one anchor, nor life by a single hope.

## 2nd Annual "Standard Of Excellence" Beefmaster Bull Sale March 1

The East Texas-Louisiana Beefmaster Marketing Group is offering for the second year, 50 Breeding Age Beefmaster Bulls that have gone through various unique sifting requirements and a uniform conditioning period, in order to offer commercial cattlemen a better product for their industry.

On December 15, 1985, the bulls nominated by the East TX-LA membership were assembled at Sam Houston State University at Huntsville, TX where the bulls will all undergo a 75 conditioning period. They will receive a high roughage ration that is being fed on large winter pastures where the bulls will have to travel and exercise and develop in an environment much like what their eventual home on the range will be.

Upon arrival, each bull was screened by John Newburn of the BBU, and by Jon Weil, sale manager. The 50 best of the bulls remained at STHSU. The bulls will again be screened at the end of the

conditioning period, prior to the March 1 sale. All are virgin, service age bulls that have passed every measure for soundness, conformation, and breeding ability available.

The sale committee of the East TX-LA Beefmaster Marketing Group consists of Gene Long, Chairman from Groesbeck, TX; John Sturrock, Missouri City, TX; and Glen West, DeRidder, LA. They represent a group that is adamant about supplying the very best Beefmaster Bulls to Commercial Producers.

In addition, this year's sale will include 50 first and second cross commercial Beefmaster Females that can be used in Beefmaster Breeding Up Programs.

For more information about the sale, contact Jon and Laura Weil, Reputation Cattle Company, sale managers. (318)478-2437.

## Houston Beefmaster Futurity February 22 In Astorhall Arena

Houston, Texas - The 9th Annual Houston Beefmaster Futurity sponsored by the South Texas Beefmaster

Breeder Assn. will be held Saturday, February 22, 1986. Sale time is 10:30 p.m. in the Astorhall Auction Arena, 2100 West Loop West, Houston, Texas 77058.

Selling will be 60 lots of top of the line cattle with impeccable pedigrees. There will be \$15,000 in premiums. Sale headquarters will be at the Astorhall, Marriott Hotel, 713/977-9000.

Auctioneer will be Leo Casas III. For information contact South Texas Beefmaster Breeders Assn., 301 E. Silverstars #2007, San Antonio, Texas 78216, 512/386-4372.

## Brushy Creek Sets Beefmaster Sale At Hallettsville, March 9

Hallettsville, Texas - The Brushy Creek Beefmaster Springtime Bull and Heifer Sale will be held Sunday, March 9, 1986. Sale time is 10:30 a.m. on the females and 1:00 p.m. on the bulls. Lunch will be served at noon. The sale will be at Brushy Creek Beefmasters, FM 2314 east of Hallettsville, Texas. Guest consignor is Diamond C Beefmasters, Houston, Texas, 713/977-6600.

Selling will be 180 lots including 70 bred and open heifers, 10 pairs and 20 Beefmaster bulls. Sale headquarters will be the Chaparral Motel, 512/788-4386.

For information contact Leon Bernier, Brushy Creek Beefmasters, Rt. 1, Box 640, Hallettsville, Texas 77944, 512/788-2111.

## House Members Say Generic Certificates Violate Intent

Washington, (KRF) - House Agriculture Committee members said USDA's plan to offer generic in-kind certificates as part of the 1985 crop programs violated the intent of Congress in the 1985 farm act.

Rep. Jerry Huckaby, R-LA., accused USDA of playing "havoc" with the commodities markets by letting some of their plans to offer those generic in-kind certificates out before Wednesday's announcement of the program details.

Huckaby and others said the act made clear no more than 5% of the total deficiency payment was to be in-kind.

USDA officials have noted another section of the law allows them to make up to 50% of the deficiency payment in advance and up to 50% of that in-kind.

USDA budget and general council officials were questioned about the Generic Certificates in a committee hearing on the effects of the Gramm-Rudman balanced-budget amendment. Those officials said in the transcript of the conference committee there was "specific language" that would allow them to go ahead with their plan to make 25% of the advance deficiency payment in-kind. USDA said Wednesday 40% of the total deficiency payment would be available in advance.

"I don't think you are following the intent of Congress in your interpretation," Huckaby said. "I think you are reaching way beyond the intent of any conference."

Nothing is so embarrassing to a boss as to witness a subordinate doing something the boss said couldn't be done.

## HEREFORD NEWS

### Hereford Champions Named At The Fort Worth Stock Show

Unusually warm temperatures greeted a large crowd at the N.D. Timmons Register of Merit Hereford Show on January 27, 1986 held in conjunction with the Southwestern Exposition and Fat Stock Show in Fort Worth, Texas. Competition was stiff throughout the show, with Tom Shaw of Caldwell, Idaho being the judge.

Star Domino 288 ET, a son of BLR C L1 Domino 6109, was named grand champion, as well as senior champion bull of the show. He was shown by Lona Star Hereford Ranch of Henrietta, Texas. High Country Herefords of Mitchell, Oregon and Doug Mills of Pampa, Texas, had just come off a national champion win at the National Western Stock Show in Denver, Colorado.

Reserve senior and reserve grand champion bull honors went to BR L1 Domino 8184, a son of Line 1 Pacesetter. This entry was shown by the Broth, Barber and Hensard Partnership of Channing, Texas.

LS Domett 372 ET, shown by Lona Star Hereford Ranch of Henrietta, Texas, returned to the winner's circle again to claim the champion heifer calf and grand champion female honors.

Reserve grand champion female honors went to the champion yearling heifer, V Bar Miss Line 1 18401, shown

by Jeff Brandenberger of Stanton. She had been named the grand champion junior Hereford female earlier in the week in the competitive junior Hereford show.

Breakdown of the champion Hereford divisions are: champion bull - B & C Cattle Company of Miami, TX on B & C L1 Pacer 4099; reserve champion bull - Lona Star Hereford Ranch of Henrietta, Texas; champion yearling bull - Terry Barber of Channing on BR Vantage 4042, a son of MJB Vantage ET; senior champion bull - Lona Star Herefords on Star Domino 288 ET; reserve senior champion bull - Brett Barber and Hensard Partnership of Channing, TX on BR L1 Domino 8184.

In the female division champion heifer calf honors went to LS Domett 370 2ET, a daughter of BLR C Line 1 Domino 6109, shown by Lona Star Hereford Ranch of Henrietta and Forrest Reid of Altus, OK; reserve champion heifer calf - JMR LBL 1 Markette 5047, a daughter of Star Mark 800C, shown by Indian Mound Ranch of Canandaigua, champion yearling heifer calf - V Bar Miss Line 1 18401, a daughter of Line 1 Pacesetter, shown by Jeff Brandenberger of Stanton, TX; reserve champion yearling heifer - H Miss L1 Pacer, a daughter of Line 1 Pacesetter, shown by Hudson Herefords of Har-

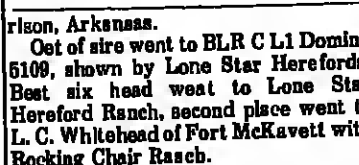

Star Domino 288 ET was named the grand champion as well as senior champion bull in the Timmons Register of Merit Hereford Show held on January 27, 1986 in conjunction with the Fort Worth Stock Show. This bull is owned by Lona Star Hereford Ranch of Henrietta, Texas. High Country Herefords of Mitchell, Oregon and Doug Mills of Pampa, Texas.

LS Domett 372 ET was crowned the grand champion Hereford female, after earlier being named the champion heifer calf in the Timmons Register of Merit Hereford Show held in conjunction with the Fort Worth Stock Show on January 27, 1986. She was shown by Lona Star Hereford Ranch of Henrietta, Texas and Forrest Reid of Altus, Oklahoma.

Laroy Born Herefords of Follett, Texas had the champion truckload of Hereford bulls at the 1986 Fort Worth Stock Show Texas Hereford Association Truckload Bull Show held on January 28, 1986.

Out of sire went to BLR C L1 Domino 6109, shown by Lona Star Herefords. Best six head went to Lona Star Hereford Ranch, second place went to L. C. Whitehead of Fort McKavett with Rocking Chair Ranch.

Breeding Colorado Domino and Mill Iron Herefords Since 1945

Three hundred and ninety head of commercial Hereford heifers totaled \$202,585 to average \$520. One hundred and twenty eight open females averaged \$355 and 202 bred pairs averaged \$600. Stanley Stout was auctioneer for the sale and sale manager was the Texas Hereford Association.

**Texas Hereford Association Debutante Sale Averages \$4070**

In conjunction with the Texas Hereford Association Annual Banquet held during the Fort Worth Stock Show, a special sale was held this year. The Texas Debutante Sale was held at the Kallier Green Oaks Inn in Fort Worth, Texas on Monday evening, January 27, 1986. Five of the choicest Hereford heifers were offered for sale that evening, before the annual Texas Hereford Association Banquet. When the final gavel fell these females grossed \$20,350 to average \$4,070 each.

Topping the sale was a consignment of Lona Star Hereford Ranch of Henrietta, daughter of L1 Lerch Domino 825, sold for \$5,250 going to Carr Bratford of Austin.

John Yriling of Schulenburg paid \$4,200 for a consignment from Indian Mound Ranch, a daughter of Star Mark 300C. J Bar F Ranch of Norman consigned JBF 800C Starlette 201, a daughter of Star Mark 300C that sold for \$3,900 to Big M Ranch of Jacksonville for a Bratford program.

Granite Hills Ranch of Llano consigned Granite Solita 813, a daughter of Flying L Solitaire that sold for \$3,900 going to J Bar F Ranch. J & J Hereford Farms of Iowa Falls, Iowa paid \$3,100 to take home Tex Miss Banner 5089, a daughter of BA Key Point Blank 464P consigned by Born Herefords of Follett, Texas.

A strictly elite set of Hereford heifers was consigned to this sale. Stanley Stout was auctioneer for the sale and the Texas Hereford Association was the sale manager.

### THA Commercial Hereford Heifer Sale Aves. \$520 on 390 Hd.

A standing room only crowd was in attendance at the Texas Hereford Association Commercial Hereford Heifer Show and Sale held on January 28, 1986 in conjunction with the Fort Worth Stock Show and Trades in Fort Worth, Texas. Warm weather and a large attendance at the Stock Show added to the Show and Sale.

Champion and reserve champion pen of heifers went to Summerour Ranch of Dallart, Texas. The champion pen of commercial Hereford heifers sold to Bob Neslitt of Valley View, Texas for \$550 each on 20 head of cattle. The reserve champion pen sold for \$495 each going to Vernon Dabberly of Lewisville.

Jerry Dillard of Ringling, Oklahoma, a repeat buyer, purchased the high selling pen of commercial heifers. One of his high buys was at \$350 each for a pen from R. T. Alexander and Son of Canadian, Texas. He also paid \$350 each for a pen from Summerour Brothers of Dallart.

Three hundred and ninety head of commercial Hereford heifers totaled \$202,585 to average \$520. One hundred and twenty eight open females averaged \$355 and 202 bred pairs averaged \$600. Stanley Stout was auctioneer for the sale and sale manager was the Texas Hereford Association.

the Oklahoma Hereford Association Annual Range Bull Sale that was held on January 20, 1986 in Dursani, Oklahoma. The crowd of prospective buyers filled in around ringside to select from the exceptional set of Hereford bulls put together for the sale. When the final gavel fell 115 bulls grossed \$125,235 to average \$1,089.

Topping the sale at \$2,200 was a consignment from K74 Ranch of Oklahoma City, Oklahoma. This was a son of CL 1 Domino 998 that sold to Carl Frost of Douglasville, Texas. K74 Ranch also consigned another high selling lot that sold for \$2,000 going to Kelly Thompson of Paula Valley, Oklahoma.

Bob Burnett of New Boston, Texas and Diamond S Ranches of Hendrix, Oklahoma were volume buyers in the sale. The bidding was active all through for Hereford bulls. The sale was managed by Guy Shull, secretary of the Oklahoma Hereford Association and auctioneer was Eddie Sims of Elgin, Oklahoma.

Special Breed Sections Every Week.

## "Before you guessed."

The new National Cattle Evaluation Program initiated this summer by the American Hereford Association is perhaps the most comprehensive, most accurate, and most performance evaluation of a breed ever undertaken. The records of almost a million head were compared at the same instant in each trait, one to another with all their relationships to get a comparison of each Hereford's performance potential. It's an awesome thought.

Even more awesome is what this data revealed about the performance level of the Flying L breeding program. This herd of approximately 100 mother cows has an average genetic performance level in weaning weights and yearling weights equalled by less than 2% of the Hereford cows in America! The hard includes eight of the top 50 cows in the nation for hip height and 27 of the top 200 cows in yearling weights.

The hard bulls currently in use at Healey Brothers that were bred there boast even more awesome breeding power. Only seven bulls out of the thousands evaluated this year throughout the nation can beat the averages in all five traits of these three sires (Solitaire, Orion and Bold Venture).

Several of the largest herds in America are using Flying L sires. The comparisons for these Healey Brothers Herefords isn't written from cattle in their herd alone or even mostly from their herd. The current sire report includes data from 21 FL bulls in various other herds with 83 out of 84 plus EPD figures in their individual weight and milk reports.

The record of the FL sires at the OSU Bull Test against the top sires

In America is equally impressive. A Solitaire son now in his last 28 days on test at OSU is leading the entire test. His last 28 day gain was an amazing 5.36 pounds! He has already locked in a 1,324 pound yearling weight. The Solitaire get-of-sire group is averaging a 4.15 pound ADG at 112 days exceeding the record of Orion's get last year that smashed two station records with an average WDA of 3.49 pounds and an average yearling weight of 1,339 pounds.

What better place from which to pick your next Hereford replacement? The annual Healey Brothers sale is a fast, snappy auction without hot air or inflated prices. The sale usually averages \$1,500 to \$2,500 on the yearling bulls and \$1,200 to \$1,500 on the heifers. No sale in America sells equivalent performance at such bargain prices. There are no embryo transplants bred or sold at Flying L. Every animal has a full performance record achieved on its natural mother. All cattle are treated equally and all received equal measures of feeding according to their weight.

On Monday, March 3rd, you can pick from the entire year's production that will sell at Healey Brothers Flying L Ranch. To help your selection making process Healey Brothers has a new catalog design offering even more

and better data in an innovative, simplified style. Yes, we still provide all of the information on all the animals. There's no guessing or secrets at Flying L. But then why should there be?

Reserve a copy of our all new performance catalog now. Write to: Healey Brothers Flying L Ranch, Davis, Oklahoma 73030 or call 405/369-2711.

The real performers will sell Monday, March 3rd.

	BIRTH WEIGHT	WEANING WEIGHT	YEARLING WEIGHT	YEARLING HEIGHT	MILK EPD
FL Sires	+3.0	+94.5	+68.4	+7	+8.3
FL Dams	+1.4	+18.6	+32.6	+3	+6.1

(FL COWS OUT AVERAGE THE NATION'S HERD BULLS!)

This donor cow and her "Reggie" flush will sell.

### Gulf Coast Hereford Spring Sale Averages \$1208 on 53 Lots

Beautiful weather greeted the large crowd at the Gulf Coast Hereford Association Spring Sale held at the new sales location in Brenham, Texas on February 1, 1986. Several consignors put together some of their best Hereford bulls and females for this sale, held shortly after a Hereford show. Thirty-four bulls averaged \$1,886 and 19 females averaged \$800. Fifty-three total lots grossed \$64,030 to average \$1,208.

Topping the sale in the bull division were two consignments from J Bar F Ranch of Normangee, Texas. Both were full brothers sired by Le Grand Domino 7184, better known as David (a triple test leader in the Hereford breed). They topped the sale at \$8,400 each going to J. B. Parton of Crockett, Texas. J Bar F Ranch sold two other high selling bulls to Chas. Horder, Jr. of Wadmar, Texas for \$2,550. Thomas Ranch of Richards paid \$2,150 for JBF Mark Domino 4208, a son of Li Star Command consigned by J Bar F Ranch.

Murphy Ranches of Normangee was one of the volume buyers in the sale. Two of their high buys for the day were two bulls from the reserve champion pen of bulls consigned by J Bar F Ranch. They paid \$1,950 each for these lots.

In the female division, Murphy Ranches purchased the top selling female at \$1,860. This was for a daughter of Li Domino 75901 consigned by J Bar F Ranch.

Palori Ranch of Hempstead was one of the volume female buyers in the sale.

Their top buy for the day was a consignment from J Bar F Ranch that sold for \$1,025. Robert Bishop of Hearne paid \$1,000 for another consignment of J Bar F Ranch. He also paid \$800 for five females consigned by Morris Lacy K Ranch of Marquez that sold as a registered Brahman bull, to have certified F-1 calves.

Again, a strong demand was seen for Hereford cattle at this sale. Auctioneers for the sale were Walter and Dick Britton of Bryan, Texas.

Mark Murphy of Murphy Ranches near Normangee, Texas, is shown at the Gulf Coast Hereford Association 36th Annual Spring Sale held on February 1, 1986. Mark was a volume buyer in the sale, with two of his high buys for the day being two bulls in the reserve champion pen of bulls consigned by J Bar F Ranch of Normangee.

Sale time is 7:00 p.m. at the Marriott-Astrodome Hotel at Houston, Texas. Selling will be 16 select Zebu females that will exemplify 40 years of striving for improvement in quality in the breed.

Auctioneer will be Stanley Stout.

There will be a cocktail party at 5:30 p.m. preceding the sale and the IZBA party and dance

# **Yellow Rose Texas Longhorn Show And Sale, February 16**

San Antonio, Texas - The Yellow Rose Texas Longhorn Show and Sale will be held Sunday, February 16, 1986. Sale time is 12:30 p.m. at the Joe Freeman Coliseum Auction Sale Barn during the San Antonio Livestock Show and Rodeo.

The show and sale will include 60 lots of investment quality Texas Longhorns from the Butler Boy Syndicate member ranches. Included will be donors, embryos, pairs, herd sires and heifers. Auctioneer will be Eddie Wood. Sale headquarters will be the 16400 Inn Northwest 51226-3441.

A bald eagle occupies his nest for a lifetime. Through countless renovations, the nest can sometimes weigh over a ton.

# **Hereford Champions Named At The 80th National Western**

The National Western Stock Show is often referred to as the "World Series" and "Super Bowl" for the Hereford breed. And the 80th National Western was no exception. The long day of competition for the \$25,000 in prize money found 193 head from 181 owners representing 28 states and Canada vying for honors and prestige on January 13, 1986 in Denver, CO.

Making the placings before a coliseum-filled crowd was Dr. Harlan Ritchie of the Animal Science staff of Michigan State University, East Lansing. The competition was universally accepted as being the strongest in many years as judges Ritchie took a great amount of time and deliberation in making his placings.

Star Domino 288ET claimed the coveted grand champion bull award for Lone Star Hereford Ranch of Hereford, TX. The day following the show, 288ET was through the National

Western sale auction ring and rom-manded \$225,000 for one-half interest. The buyers were High Country Herefords, Mitchell, OR, and Doug Mills, Pampa, TX.

C Li Express 3223 ET is a bull that has been heavily campaigned this show season and has been a consistent winner of purple ribbons for Colyer Herefords, Brineau, ID. After placing second to the grand champion in the senior yearling class, he followed as reserve senior champion, then on to the reserve grand championship honor. He sold in the National Western sale at \$120,000 for one-half interest to High Country Herefords.

The female competition was just as strong and just as exciting to witness as the bull show. Many previous champions from other shows were meeting head-on for the first time. KB Chisless 4080 ET, owned by Brenda Bieber of K&B Herefords, Onida, SD, walked off with the grand champion female award. Bill and Jo Ellard's EE Hereford Ranch, Winom, MS, owned the reserve champion female. She was EE Candelin Lass 275, the late spring yearling class winner and reserve yearling champion.

Both yearling champions in the bull competition came from K&B Herefords.

The top yearling bull honor went to K&B L1 Momentus ET. K&B 970 Domino 4104 claimed the blue ribbon in the late spring yearling class and went on to become the reserve yearling bull.

The calf champion bull award went to the senior calf class winner, La Grand Domino F7, a son of BLR CL1 Domino 5109. He is owned by Bright Bros. Hereford Ranch, Le Grand, CA. The reserve bull calf award went to SR Verdict 456, a son of GK Encore 809R, from the late spring class. He is owned by Stuber Ranch, Bowman, ND; Lee Campbell, Dublin, TX; and Weldon Edwards, Clyde, TX.

The calf champion female was LS Domot 370 2ET, a senior calf daughter of BLR CL1 Domino 5109. She is owned by Lone Star and Forrest Roid, Altus, OK. LMR L1 Markette 5047 claimed the reserve calf champion heifer award after winning the blue in the early spring calf class and is owned by Indian Mound Ranch, Candlan, TX.

Lone Star Hereford Ranch took the high award in the class for the best six head from an exhibitor, and sons and daughters of BCR CL1 Domino 5109 (Lorel) won the blue in the get-of-sire class. The four head came from the strings of Lone Star and Bright Bros.

Being able to show the massive bull at the National Western Stock Show in Denver is one thing most people dream of and never achieve. The success of Lone Star Hereford Ranch, Henrietta, TX, has achieved over years made it no surprise when the Star Domino 288 ET was selected champion of the \$25,000 Super Register Merit Show. His trail of prestigious wins first walked him the winner's circle as the top yearling and senior champion. High Country Herefords, Mitchell, OR, and Doug Mills, Pampa, TX, secured their approval of the judge's selection with the one-half interest he chose for \$225,000.

C Li Express 3223 ET, popularly known as "Express", was the reserve grand and reserve champion bull at the National Western Stock Show. He was owned by High Country Herefords, Mitchell, OR, and Doug Mills, Pampa, TX. He stood 61.25 inches at the shoulder and had a 38.3 centimeter scrotal circumference. High Country Herefords, Mitchell, OR, purchased one-half interest in November 14, 1983 for \$120,000.

SR Verdict 456 claimed the late spring bull calf class reserve bull calf champion prize in the \$25,000 Super Register Merit Show. He was owned by Stuber Ranch, Bowman, ND; Lee Campbell, Dublin, TX; and Weldon Edwards, Clyde, TX. Encore 809R son, recorded a 1,000 pound weight and a 100 weight-per-day-of-age.

**Cross Timbers Polled Hereford**  
The Cross Timbers Polled Hereford Annual Sale will be held Sunday, March 15, 1986. Sale time is 12:30 p.m. at the Horse Pavilion at Texas A&M University, Stephenville, Texas. Selling will be Polled Hereford cows, bred heifers, club steers and heifers. Auctioneer will be Wesley Martin. For information contact Wesley Martin, 817/897-4110 or Carl Simpson, 817/832-6122.

# **Champion Of Champions Simmental/Simbrah Sale Set February 18**

Houston, TX - The Champion of Champions Simmental/Simbrah Sale will be held Tuesday, February 18, 1986. Sale time is 5:00 p.m. at the Houston Stock Show and Rodeo. The sale will be held in conjunction with the 18th Annual American Simmental Association's National Convention, February 17-20.

Selling will be 25 fullblood and purebred Simmental and Simbrah cattle. Auctioneer will be Joe Mitoham.

The Champion of Champions Simmental Show will be held February 18 at 8:00 a.m. followed by the Open Simbrah Show.

Sale chairman is Harry Stafford. For information contact the Texas Simmental/Simbrah Association, 12330 West Avenue, Suite 103, San Antonio, Texas 78216. Warren Garrett, Executive Secretary, 512/342-4264 or the sale manager, Dean Taylor, Box 137, Stephenville, Texas 76401, 817/968-8029.

# **Cattlemen's Symposium Featured During Houston Show**

A "Cattlemen's Symposium" bringing together four prominent speakers will be offered on Wednesday, February 19 during the Houston Stock Show and Rodeo.

Co-sponsored by the American Simmental Association and the American Brahman Breeders Association, the event is open to the public and will be held in the Astro Village Hotel beginning at 1:00 PM. The Symposium speakers and their subjects are as follows:

Dr. Randall Grooms, Texas A & M University Extension Livestock Specialist who developed the "Texas cow-calf studies", will be the first speaker. Grooms will discuss "Simmental and Brahman Complementarity in Crossbreeding".

Dr. James Sanders, Texas A & M Science, is a project leader of crossbreeding studies at the Niles Station. He has observed livestock production in nearly a dozen foreign countries. Sanders will speak on the "Characteristics of Bos Indicus Cattle". Bruce Lowrie, a Fort Worth businessman, raises Simbrah cattle and serves as Secretary/Treasurer of the ABBA, as well as President of the Texas Brahman Association. Lowrie's subject will be "Simbrah: The Best of Two Worlds".

Dr. John Pollak, Associate Professor of Animal Science at Cornell University, is a leader in developing methodology for the genetic evaluation of beef sires. Pollak will discuss "Brahman and Its Potential For Simbrah Cattle".

"It is our privilege to join with the Brahman breeders in offering this outstanding line-up of professionals to members of both Associations and cattlemen in general," said ASA Executive Vice President Earl B. Paterson. "Since Brahman and Simmental are proving to be so complementary to each other from a genetic point of view, it is only logical that our two organizations should cooperate in sponsoring this program."

In addition to the Cattlemen's Symposium, both Associations will be holding Annual Meetings and Conventions during the week. The ABBA Convention begins on February 17 with a full day of committee meetings, and concludes with a cattle sale on February 20. ASA opens its schedule on February 18, and covers three days, concluding with the Awards Banquet and Dance the evening of February 20. The Texas Simmental/Simbrah Association has scheduled its activities for Tuesday, February 18. At 8:30 AM, the Champion of Champions Simmental Show begins, followed by the Open Simbrah Show. At 4:00 PM, a Pre-Sale Cocktail Party will be held, followed by the Champion of Champions Simmental/Simbrah Sale at 5:00 PM. All four events will be held at the Astro-Hall.

Now that the Super Bowl is over, maybe we can discuss other sports, like bowling. That's just one guy in an alley trying to get a lucky strike. In the old days, that also described a bum who had just spotted an unused cigarette.

A fellow said he'd rather bowl than eat.

Persons seeking more information about the Symposium or other Association's activities, should call ABA headquarters at 1-800-548-0206 or the ABBA at 1-713-795-4444.

When I asked if he had his wife's blessing for this sport, he said, "Sure, she'd rather play bridge than cook."

A local macho jack took up bowling last season gave up the sport... said the ball was too hard to dribble.

Not many football players make it in bowling, either. Jim McMahon, for instance, tried it and failed miserably. You don't see many overhand deliveries.

Fishing is another sport that doesn't have much coverage on television. It's hard to get tarpon to show up in the Orange Bowl under their own power. Although occasionally, I have seen in the parking lot a two-door stingray.

One good thing about fishing, as opposed to hunting, you seldom ever hear of anybody mistakenly being shot for a fish. Of course, you have to use your head. It would not be a good idea during the off season for the refrigerator to go scuba diving near a whaling vessel.

A fellow asked another how many fish he'd caught. With intense concentration, the guy answered, "If I can catch the one I'm after here and two more, I'll have three."

Being a sportsman is enough to turn a mother's hair grey. A lady I know tried to get her husband to take their 2-year-

old daughter "bank fishing" with him. When he came back without any fish, she asked why. He said, "She ate all my bait."

Basketball is still in the news. Did you ever notice how many people who tell us to eat right, stay fit, and manage their money drop dead and die broke? Then some kid from the ghetto mised on junk food grows to be seven feet tall and makes five million per year?

A kid from my hometown bragged he didn't need an agent and negotiated a \$500,000 contract for himself. The fine print says he gets \$500 per year for a thousand years.

Sports is a tough business. The coach of the Houston Oilers lost his job recently due to illness and fatigue. The owner was sick and tired of him.

But regardless of the time of year some sport will be in the news. Those lucky athletes, regardless of the sport, who can keep their health, always hope to progress to the ultimate level of achievement. It's a three-step program. Rookie of the Year, Sports Hall of Fame, and finally Lite Beer commercial.

## USDA Asks Congress For \$7.95 Billion For CCC In '86

Washington, Feb. 3 (KRF) - The Reagan administration has approved a request to Congress for an increase of

\$7.95 billion in 1986 borrowing authority for the Commodity Credit Corp., which has nearly reached the limit of its \$25 billion borrowing authority for making crop payments to farmers, USDA sources said today.

Sources also said the Reagan budget request would include the same request when it is submitted to Congress Wednesday. However, the supplemental request was approved because officials thought congressional action would not come fast enough to keep the CCC from running out of money.

CCC officials confirmed that only about \$1.5 billion in borrowing authority for fiscal 1986 remains.

Officials said the borrowing authority shortage occurred sooner than expected because of increased loan activity.

The 1987 budget to be submitted Wednesday will include a request that would allow CCC to borrow money for crop programs as needed, sources said.

However, that request has been included in the USDA budget for several years but has never been approved by Congress.

CCC is in danger of running out of

## Cash Grains Mostly Lower

Austin, Feb. 3 (F-S) - Texas High Plains Grain - Daily Report - Federal State Market News. Texas High Plains cash offers by elevators to area farmers were about steady to trending slightly lower. Grain sorghum remained steady, wheat was steady to 1-3 cents lower, soybeans were steady to 5 cents and corn was steady to 2 cents lower. Prices paid to the farmer, F.O.B. elevator as of 4:00 p.m. Mon., Feb. 3, 1986. (Grain sorghum per hundredweight, wheat, corn & soybeans per bushel).

Area north of the Canadian River: Grain sorghum \$4.00-4.05. Wheat 2.74-2.95. Corn 2.55-2.70. Triangles area from Plainview to Canyon to Farwell: Grain sorghum \$3.95-4.25. Wheat 2.85-3.22, mostly 2.85-2.95. Soybeans 4.30-4.70. Corn 2.60-2.69.

Area south of a line from Plainview to

harrowing authority this month, possibly my mid-month, sources said.

Congress had to approve \$2.9 billion in emergency borrowing authority for CCC last year.

Muleshoe: (Counties of Bailey, Lamb, Hale, Floyd, Hookley & Lubbock). Grain sorghum \$3.85-4.00. Wheat 2.80-3.00. Soybeans 4.80-4.70. Corn 2.58-2.66.

Elevators in the Texas High Plains were reporting offers and bids for: No. 2 grain sorghum ranged from \$4.35-4.45 per cwt. No. 2 yellow corn ranged from \$5.00-5.10 per cwt.

Houston cash grain markets closed as follows: No. 1 wheat, export ordinary \$3.48-3.51. No. 2 yellow gr. sorg. export \$4.36-4.39. No. 2 yellow corn export \$2.63-2.70. No. 1 soybeans export \$5.08-5.27.

Dodge City, Feb. 3 (USDA) - Southwest Kansas Grain Market. Wheat 2-8 lower; corn mostly steady, one instance 1 lower; grain sorghum mostly steady, couple instances 2-5 lower; soybeans 3 to mostly 5 lower. Mondays closing elevator bids: No. 1 hrw wheat 2.73-2.78. No. 2 yel corn 2.40-2.46. No. 2 yel grn sorghum 3.55-3.70. No. 2 yel soybeans 4.73-4.79.

Kansas City, Feb. 3 (USDA) - Daily National Grain Market Summary. Cash grains and soybeans closed mostly lower Monday. Major areas of the wheat belt

received beneficial rains along with an up Brazil's soybean region. Jan. tenders today for 18,000 tons U.S. for Feb/Mar delivery and Taiwan took origin sorghum for Feb/Mar.

Grains inspected for export for the week ended January 30, 1986, totaled 15.2 million bushels, an increase of 3.9 million bushels from the previous week. Corn totaled 26 million bushels, down 4.6 million bushels, and soybeans totaling 17.4 million bushels, 5.5 million bushels between ago levels.

## "The Gathering" Longhorn Sale Set February 22

Houston, Texas - The Gulf Coast Association of the Texas Longhorn Breeders has announced "The Gathering" sale will be held Saturday, February 22, 1986. Sale time is 12:00 noon in the Astorhall Auction Sale Arena, Exhibit Hall during the Houston Livestock Show and Rodeo.

Sale chairman is Darrell D. Wilson, 713/64-1691. Auctioneer will be Skinner Harly.

Sale headquarters will be the Marriott Hotel, Astrodome, 713/797-0000.

For information contact TLBGCA Office, 9039 Katy Freeway, Suite 330, Houston, Texas 77024, 713/64-1691.

Re-examining the period after Mexican gained independence, Almeraz suggests that if San Antonio had retained regional leadership, rather than Saltillo, tensions in Texas might have been resolved more peacefully. But as events demonstrated,

national leaders and policies created dire consequences on the nation's frontier.

Like Spain before it, Mexico addressed problems in Texas only during crises, unlike Spain, which had retained its Texas territory for more than a century, Mexico would move against Texas, then lose the province completely.

## THE TEXAS EXPERIENCE

### Coahuila Joins Texas

Spain's 18th-century world empire was ruled with one central principle - the word of the Crown represented the word of God. When Napoleon invaded Spain, then toppled the royal government in 1808, the Spanish colonies floundered and drifted unattended. Sensing the empire's vulnerability, colonial insurgents began challenging Spanish rule. The centers of Spanish settlement in Texas by the nineteenth century were San Antonio de Bexar, La Bahia del Espiritu Santo (Caldes), and Nacogdoches, all far from Mexico City.

The most celebrated Mexican revolt against the Spanish arose in 1810, as Father Miguel Hidalgo organized a group of Indians and mestizos to formulate a failed and Hidalgo was executed, historian Felix Almaraz notes that by 1811 repercussions of the insurgent movement in Mexico reached Texas, where proponents of Mexican independence collided with defenders of the Crown on several battlefields.

Ten years later, on July 13, 1821, the governor of Texas proclaimed Mexican independence - two months before the triumphant insurgent generals paraded through Mexico City.

Conservative Agustin Iturbide's reign lasted little more than a year, but in that time, he signed the first permit allowing Stephen F. Austin a land grant to settle Anglo-Americans in Texas in 1823. Soon, Mexican nationalists took control in Mexico City and launched a federal experiment in government, creating provinces extending out from the capital, a radical break from 300 years of centralized Spanish rule. Ironically, they combined the frontier region of Texas with Coahuila, the province directly south of it. Regional authority shifted from San Antonio de Bexar to Saltillo in Coahuila.

Except for creating this dual state of Coahuila y Texas, the presidency of Guadalupe Victoria had little effect on Texas. But succeeding administrations had enormous impact - Vincente Cuscuero's with the abolition of slavery; Anastasio Bustamante's with the suspension of immigration from the U.S.; and Antonio Lopez de Santa Anna's by cancelling the federalist constitution of 1824, then in 1835, instituting *Las Siete Leyes*, the Seven Laws. These laws reduced the power of local councils and again centralized authority in the president and national legislature. The laws also reduced the size of the Texans' militia.

Increasingly, Tejano and Texian on the northern periphery of Mexico, like Mexicans in Zacatecas, clashed with the national government in Mexico City. In January, 1835, the citizens of San Felipe convened a meeting of Texans. They drew up a resolution which renounced the legal injustice and military occupation they had endured under Santa Anna and proposed that Texas be granted separate statehood from Coahuila. As most of them had been U.S. citizens before moving to Texas, this petition seemed to them an appropriate way to address their na-

The 4th Annual

Friday, March 7, 1986

Wyndham Hotel, San Antonio, Texas

"No plucking meat from a cow's carcass. Nature built you strong. Drought slaughtered those that had no will to survive. In years of hunger, you learned to eat almost anything, to scrape off the morsels of rocks. Through merciless selection, you learned to produce very small calves with a fantastic determination to grow into big adults. I don't waste money on veterinarian when I raise my Longhorns. You animals raise yourselves, just like us humans."

James McHenry, TEXAS

A cherished symbol of heritage, the Texas Longhorn epitomizes all of the splendor and allure of the American West.

The Texas Legacy Sale is a sale of 50 head of purebred Texas Longhorn cattle.

An investment in this unique breed carries with it the promise of perpetuating the mystique associated with the "old west", as well as meeting the needs of today's beef cattle industry with America's "lean beef breed".

## International Brahman Sale At Houston Show Set For February 20

Houston, Texas - The International Brahman Sale sponsored by the American Brahman Breeders Association will be held Thursday, February 20, 1986. Sale time is 2:00 p.m. at the Houston Livestock Show and Rodeo in the Super Sale Salon.

Selling will be 24 Brahman females and 3 Brahman herd sire prospects.

The International Brahman Show, Female Judging will be held Wednesday, February 19 at 8:00 a.m. The Bull Judging will be held at 8:00 a.m. February 20.

Auctioneer is Stanley Stout. Sale chairman is Wendell E. Schronk.

For information contact the American Brahman Breeders Association, 1313 LaConcha Lane, Houston, Texas 77054, 713/795-4444.

## ABBA To Host Annual Meeting in Houston

Houston - The annual membership meeting and winter board meeting of the American Brahman Breeders Association will be held here February 17-18 at the Astro Village Hotel.

Committee meetings are scheduled for Feb. 17-18 with the board meeting set for the morning of Feb. 18 followed by the general membership meeting Tuesday afternoon, February 18 at 1:30 p.m.

A joint educational program sponsored by ABBA and the American Simmental Association has been set for 1:30 p.m. Wednesday afternoon, February 19. Following the program, a joint cocktail hour will be held at 8:00 p.m. All events are at the Astro Village Hotel.

The International Brahman Show has been scheduled for Wednesday and Thursday morning, February 19-20. Judging begins both days at 7:00 a.m. The International Brahman Sale will be held at 2:00 p.m. that afternoon. A pre-sale party has been set for 1:30 p.m. in the Herdman's Room at the Astrohall. All cattlemen are invited to attend all of these Brahman events. For information contact ABBA, 1313 La Concha Lane, Houston, TX 77054.

## ABBA Announces Creation Of Brahman "Hall Of Fame"

Houston - The American Brahman Breeders Association has recently announced the establishment of a Brahman "Hall of Fame" recognizing those outstanding breeders and staff persons who have made significant and long lasting contributions to the breed and association.

The first selection committee met recently and elected nine persons who will be posthumously inducted into the "Hall of Fame" during the 1986 Annual Meeting in February in Houston, Texas. Family members of these

deceased breeders will be on hand to receive this long due recognition.

In making the announcement, ABBA President Sloan Williams said, "It is fitting that we recognize these breeders in this special way. It is to their courage and determination we Brahman breeders today are indebted."

After this initial year, primarily one honoree will be selected per year. To be eligible, an individual must have a long association with the breed and association. At least 75% of the committee must approve of a name before they are accepted for the hall. The first nine honorees will be announced prior to the February meeting in Houston.

## Separate Shows Attract 250 Reds, 500 Greys At Houston

Houston - The move to separate Brahman show ring at the 1986 Houston Livestock Show & Rodeo has met tremendous response from members of the American Brahman Breeders Association.

Over 750 Brahman entries looked forward to duty in the show which ran daily, February 19 and 20 at the Astro Village Hotel. Over 250 red Brahman and approximately 500 grey Brahman entries were judged by Jim Lindgren and J.T. White, Henne, TX.

Hudgins, Hungerford, TX, the Brahman show has long been known as a beef breed show in Houston and is drawing cattlemen from all over the world.

The separate show ring has created great deal of interest and enthusiasm for the breed this year and will be the highlights of the season.

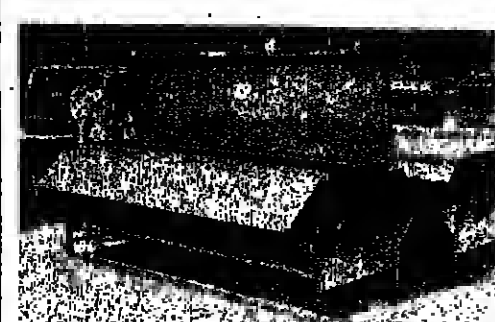

## Houston Brahman Show Dedicated To White & Hudgins

Houston - The Houston Brahman Show & Rodeo's International Brahman Show is dedicated to two past breeders and past presidents of the American Brahman Breeders Association.

Edgar Hudgins, Hungerford, TX and J.T. White of Henne, TX were recognized for their lifetime contributions to the Brahman breed.

Hudgins is a member of the J.D. Hudgins ranching family. His name has become synonymous with the Brahman cattle. His founder, J.D. Hudgins was one of the true pioneers of the Brahman breed and having an influence on Brahman today. Hudgins has spent his life in the cattle industry and the leadership roles. He served as president of the American Brahman Breeders Association from 1953 to Feb. 10, 1965 as well as since 1965.

May	537 1/4	DN 5 1/4
July	545 1/4	DN 6
Aug.	544 1/4	DN 5 1/4

never on quantity, but quality. The influence of their cattle can be seen even today in the Brahman show ring. Bulla like 449, sold to John and Hope Jefcoat, are continuously siring championship performing cattle.

Like Hudgins, White served ABBA as president from Feb. 10, 1956 to Feb. 21, 1968. These were real trying times for the U.S. cattle industry and the strength of these two men and the contributions they have made justified this honor for them.

Both will be recognized at the bull judging on Thursday morning, February 20 at the Astro Hall. In releasing this information, ABBA President Sloan Williams said, "Our breed is fortunate to have as member men the caliber of J.T. White and Edgar Hudgins. Their stamina, toughness and perseverance are the traits that made America great and Brahman cattle known the world over."

The reason political party platforms are so long is that when you straddle anything it takes a long time to explain it.

# CHAROLAIS

1st things 1st: MORE PROFIT AT MARKET  
Modern, Easy-Calving  
Charolais Bulls  
Produce Better Payout  
Commercial ranchers using Charolais bulls are "way out front!"

Cow herds all across the country are using MODERN Charolais bulls... bulls with bred-in predictability for lower birth weights, improved calving ease and increased growth rates. Talk to ranchers using MODERN Charolais bulls. They'll tell you about their increased pounds of calf weaned per cow exposed... fast growing efficient calves that are preferred by feedlots, packers and retailers.

## Chianina Winners At National Western Open Show Named

(CONT. FROM PAGE 8B)

black female, Reserve Grand Champion Black Female was BC Miss Flashback 2, owned by Black Champ Enterprises, Inc., Waxahatchie, Texas and Miller and Baird Land and Cattle, Lillburn, Georgia. She was also selected as black calf champion. SBJ Special Edition 268, owned by McMorris Farm of Hereford, Texas and Conda O. Richards, was named Reserve Grand Champion Chianina black bull at the Open Show. The bull was also selected as reserve Junior Champion Chianina black bull.

RAR Miss Valentine CA, owned by Bill Miles of Katy, Texas was selected reserve senior champion Chianina black female and was later named champion Chianina breeding heifer in the Northern Plains Regional Junior Heifer Show.

BC Miss Special Queen owned by N. D. Oswald of Duncanville, Texas was named reserve half champion black Chianina female and RAR Lissa, owned by Craig Miles of Katy, Texas was selected junior champion black Chianina female at the American Chianina Association Open Show.

## Charolais Breeders Aim For Best Ever 'National'

"They want to make this the 'best national ever.' That's the word from Dennis Adams, president of the Charolais Association of Texas, whose members are working with AICA to put on the 17th National Charolais Show and the 7th National Charolais Sale to be held Feb. 18-21 in Houston.

With 800 head of Charolais breeding stock from around the United States entered, the National Show will highlight the four-day event. Dennis Hawkins of Michigan State University and Larry Reifschneider of Hubbell, Iowa, will evaluate the cattle beginning at 7:30 a.m. on Thursday, Feb. 20. Following the Charolais show, approximately 30 head of Charolais will compete for honors under Judge Randall Grooms of Texas A&M.

Friday, Feb. 21 is sale day for both Charolais and Charbray. The 7th National Charolais Sale with 30 cataloged lots is scheduled for 7:45 p.m. in the Super Sales Salon. Additional consignments will be added to the offering following the show. Charbray's 9th International Sale will begin at 2 p.m. in the Auction Sale Arena. A select group of both bulls and females will be offered.

A group of other Charolais activities are also those four days starting off with the committee meetings on Tuesday, Feb. 18. The AICA Board of Directors are scheduled to meet Tuesday and Wednesday. With the annual AICA general membership meeting falling on Wednesday afternoon, all of these meetings will take place at the Sheraton Hilton. Beginning on the week of activities will be the annual awards banquet on Thursday night and the herdman banquet on Friday.

The Charolais-Dees have some special activities planned for the National beginning with a meeting on Feb. 18. On Wednesday morning, the ladies will pack up and be off for a day of sightseeing and shopping in the Galveston Bay area.

Besides all of the regular activities, Charolais Association of Texas members are going one step further to show everyone that good Texas hospitality. The association will be sponsoring courtesy vans back and forth from the hotel to the Astrodome, where the show and sales will be held.

To give good exposure of the cattle consigned to the National Sale, CAT is setting up an attractive display in the middle of the Charolais show cattle exhibit. They will have a special display booth set up in the barn that you'll for sure want to stop by and visit.

Back at the hotel the CAT ladies along with the Charolais-Dees will have a hospitality room, so join them for visiting and relaxing.

## Angus Show Number Up At Southwestern Expo

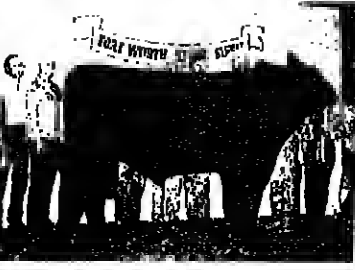

The Angus show at the Southwestern Exposition and Fat Stock Show held in Fort Worth, Texas, saw an increase in the number of cattle exhibited at this year's event compared to last year. A total of 146 bulls and heifers were contenders for the championship honors being awarded by Judge Bill Conley, Clarkdale, Missouri.

Taking home the grand champion heifer in the bull show was J K Pine Tar. This May 1983, Pine Drive Big Sky son earlier captured senior champion honors for his owners Jerry Williams, Lockney, Texas; Premier Angus Inc., Cloverdale, Indiana; and Pine Tar Associates, Lockney, Texas. Conley went with his senior calf winner, R O R Royalty 108T for reserve grand champion bull. He is owned by Rolling Oaks Ranch, Burkett, Texas, and is an October 1984, Pine Drive Big Sky son.

R & J June 1984 stood in the limelight for R & J Ranch, Briggs, Texas, and Cobble Pond Farm, Millerton, New York, when she was slotted as the grand champion female. Her first honor came when she was named this intermediate champion. She is a June 1984 daughter of R & J Austin 18, Rolling Oaks Ranch, again stepped into the winner's circle with the reserve grand champion female, P V Phantasia, also owned by Patrick Verboet, LaGrande, Oregon. This April 1984, Pine Drive Big Sky daughter earlier claimed the junior champion title.

Pine Drive Big Sky progeny placed first in the get-of-sire class. The winners were shown by Premier Angus Inc., Rolling Oaks Ranch and Pine Tar Associates. R & J Ranch put together the best six head and offspring of R & J Austin 18 to win the junior get division. Another championship went to Rolling Oaks Ranch when they exhibited the reserve senior champion bull, Gunston Holmes.

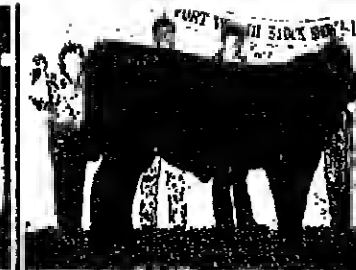

A group of Missouri breeders, Sydenstricker Angus Farms, Mexico, Gary, Fretwell, Monticello, and Gold Star Angus, Columbia, exhibited the junior champion bull. He is FAF

Senior champion, J K Pine Tar was slotted as the grand champion Angus bull by judge Bill Conley, Clarkdale, Missouri, at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. He is owned by Jerry Williams, Lockney, Texas; Premier Angus Inc., Cloverdale, Indiana; and Pine Tar Associates, Lockney, Texas.

R & J June 1984 stands as the grand champion female of the 146-head Angus show at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. First named the intermediate winner by judge Bill Conley, Clarkdale, Missouri, she is owned by R & J Ranch, Briggs, Texas, and Cobble Pond Farm, Millerton, New York.

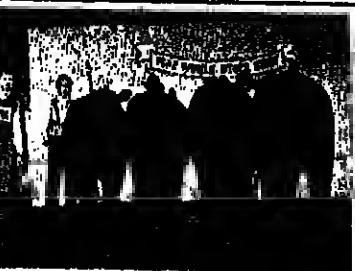

Reserve grand champion Angus bull at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas, was this senior calf champion, R O R Royalty 108T. He is owned by Rolling Oaks Ranch, Burkett, Texas.

Hilltop Ranch, Iowa Park, Texas, showed the champion bull at the 1986 Texas Angus Futurity, Fort Worth. Judge Bill Conley, Clarkdale, Missouri, awarded R & J Austin 1515 this honor.

The champion heifer at the 1986 Texas Angus Futurity, Fort Worth, was R & J Bo 2784, shown by R & J Ranch, Briggs, Texas. Bill Conley, Clarkdale, Missouri, served as judge.

Offspring by Pine Drive Big Sky captured first place honors in the Angus get-of-sire division at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. The champions were shown by Rolling Oaks Ranch, Burkett, Texas; Premier Angus Inc., Cloverdale, Indiana; and Pine Tar Associates, Lockney, Texas.

Weaver Angus Farm, Peoria, Illinois, and Hartley Angus, Chalk Mountain, Texas, owned this intermediate champion Angus bull at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. This bull is S C R Lone Star 411.

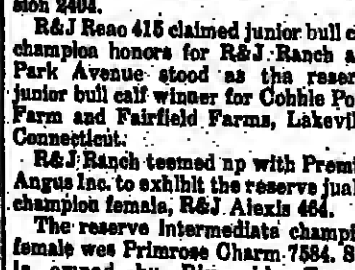

R & J Ranch, Briggs, Texas, showed the junior Angus bull calf champion at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas. This calf is R & J Reno 415.

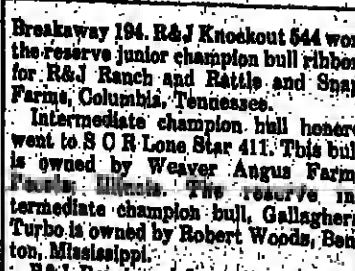

The senior Angus heifer calf champion at the 1986 Southwestern Exposition and Fat Stock Show, Fort Worth, Texas, was R & J Janette 2324. She is owned by R & J Ranch, Briggs, Texas.

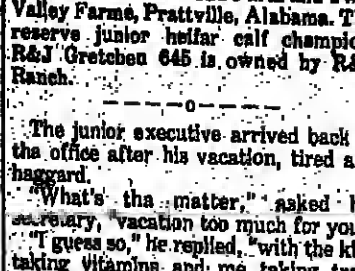

senior bull calf champion, R & J Precision 2404. R & J Reno 415 claimed junior bull calf champion honors for R & J Ranch and Park Avenue stood as the reserve junior bull calf winner for Cobble Pond Farm and Fairfield Farms, Lakeville, Connecticut.

R & J Ranch teamed up with Premier Angus Inc. to exhibit the reserve junior champion female, R & J Alexis 464. The reserve intermediate champion female was Primrose Charm 7584. She is owned by Riverside Farms, Hamilton, Texas; Genetics Unlimited, Inc., West Grove, Pennsylvania; and I & N Angus, Greenfield, Indiana.

Breakaway 194. R & J Knockout 544 won the reserve junior champion bull ribbon for R & J Ranch and Battle and Spang Farms, Columbia, Tennessee.

The junior executive arrived back at the office after his vacation, tired and haggard. "What's the matter," asked his secretary, "vacation too much for you?" "I guess so," he replied, "with the kids taking vitamins and me taking tranquilizers it was a losing battle all the way."

## South Texas Simmental And Simbrah Assn. To Meet February 15

Castroville, Tx. - The South Texas Simmental and Simbrah Association will have a General Membership Meeting February 15, 1986. The meeting will be held at the Livestock Performance Center at Castroville, Texas beginning at 12:00 noon.

Travis Timberlake, president of the association stated that officers and directors for the coming year will be elected at the meeting and asked that all members and others interested in promoting Simmental and Simbrah cattle attend the meeting. The association is planning a field day for April or May 1986 and input from the membership is requested during the upcoming meeting.

The South Texas Simmental and Simbrah Association was founded in November 1984 and is affiliated with the Texas Simmental and Simbrah Association. There are presently 69 members of the association. For information contact Travis Timberlake, President, Rt. 2, Box 2044, Bulverde, Texas 78183, 512/249-1226 or 512/438-7261.

## First Simbrah Futurity Show And Sale Set For Sept. 5 & 6

World Sales in Wharton, Texas has announced plans to hold the 1st World Simbrah Futurity and Sale. This event will be held on September 5 & 6, 1988 at the Louis Pearce Pavilion in College Station, Texas. The Hilton Inn of College Station will serve as headquarters for these activities.

The Futurity will be open to anyone having registered Simbrah cattle with the American Simmental Association. All animals must be registered in the year of birth, 1988. The exhibitors name by August 1, 1988. The Futurity will be open to cattle born between January 1, 1985 and February 28, 1986. There will be four different divisions for the Futurity: 1) 1/4 Simmental x 3/4 Brahman 2) 1/4 Simmental x 3/4 Brahman 3) 1/4 Simmental x 1/4 Brahman, and 4) 5/8 Simmental x 3/8 Brahman. John Joyce, owner of World Sales, states, "Some of the better genetics of Simbrah cattle have been passed over simply because people have wanted to obtain the Purebred Simbrah. We feel that by establishing classes for the 1/4 x 1/4, 1/4 x 3/4, and 3/4 x 3/4 animals, that enthusiasm might be generated back into

some of the superior genetics." A \$600 nomination per head will be charged for the Futurity, provided the nomination meets the January 31st deadline. Nominations will be accepted after January 31st, but a penalty will be levied on these nominations. Final nominations are due by August 1, 1986. Premium monies in excess of \$75,000 are expected to be distributed in this Futurity. Exact amounts of premiums will be determined after the August 1st deadline. At the conclusion of the Futurity on September 5, 1988, a panel of judges will select twenty-five (25) animals to be sold in a TSA approved sale.

For further information contact World Sales, 1107 Cottontail Road, Wharton, Texas 77488 or phone 713/842-2085 or 409/657-2212.

## Fairview Farms Sets Simmental Dispersal For April 19

Lafayette, La. - Bob and Jewell Lowe, owners of Fairview Farms in Lafayette, La. have announced their decision to disperse their herd of Simmental cattle on April 19, 1986. Gall LeMaire, General Manager of Fairview Farms comments, "Our main objective has been to produce Polled Fullblood Simmental. Some of the breeds best Polled Fullblood females have been added

A good anecdote is worth a volume of biography.

PLAN TO ATTEND THE "LANDMARK II SALE" Saturday, MARCH 22, 1986 - 12 NOON Sale Location: Angelina Farms, Crockett, TX 45 LOTS OF SUPERIOR PUREBRED SIMBRAH FEMALES

ed to our herd over the years, and their influence will be felt for years to come." This dispersal will include 120 lots of Fullblood and Purchured Simmental females and will feature 60 Polled Fullblood females. This featured offering could be the largest group of Polled Fullbloods to ever sell. Many of the females in this sale will be 3-in-1's, cover all bred to hivo Simbrah calves and all will be 8 years old and under. This dispersal will carry a special note of interest. All animals in this sale will be guaranteed as Bob and Jewel plan to continue in the Simbrah business. Bob Lowe states, "We want all our customers to be assured that although we are dispersing our Simmental herd, we do not intend for someone to purchase a problem cow or a cow at the end of her productive life. We are remaining in the cattle business and want the public to be confident in their purchases."

The sale site will be at the Fairview Farms Headquarters approximately three and one-half miles southwest of Abbeville, La., off Highway 335. Sale headquarters will be the Travel Lodge of Abbeville, Phone (818) 896-1453. Joe Micham of Hubbard, Texas will serve as the auctioneer.

## Sheep Inventory Declined By 5%, Goats up 10%

Washington, Jan. 31 (USDA) — All sheep and lamb inventory in the United States on Jan. 1, 1986 totaled 9.98 million head, according to the Crop Reporting

## Beef Production Expected to Decrease in '86

San Antonio — The total cattle herd continues to shrink, and beef production is expected to decrease in 1986 and the subsequent years. Topper Thorpe,

general manager of Cattle-Fax said today. Speaking at the National Cattleman's Assn. convention, Thorpe said, "Because of the smaller herd, beef production will continue to decrease during at least the next few years. As a result, average prices for fed cattle end, in turn, for feeder cattle should improve. However, the actual level of any improvement will be dictated by the demand for beef and demand will be affected by consumer incomes, consumer attitudes, competing meat supplies and other factors."

Thorpe and the staff of Cattle-Fax market research and analysts described the industry situation and outlook in a panel discussion which was part of the NCA convention's annual outlook seminar. Cattle-Fax is a market information service associated with NCA.

The nation's cattle herd on Jan. 1, 1986, was estimated by Cattle-Fax at 10.6 million head, down 4% from 1985. Numbers of cattle on feed are off approximately 8% from a year earlier, and feeder cattle numbers are down an estimated 8%. The category to show the most increase was cattle.

With adverse economic conditions, liquidation of the beef cow herd will continue in 1986, Thorpe said. However, liquidation is not likely to be great enough to maintain beef prices at recent levels, and total beef production this year may decrease by about 1% from 1985. Poultry output is expected to rise by at least 5%, while pig production will be essentially unchanged.

Beef production in the first quarter may approach the previous year's level.

## Cole's Diamond C Simmental Ranch Stock Dividend II Sale

Cole's Diamond C Ranch of Athens, Texas, has announced plans for their Second Annual Stock Dividend Sale to be held Sept. 6, 1986, at the ranch, 10 miles south of Athens, Texas on Highway 19.

Cole's Diamond C Ranch program is breeding some of the best in fullblood Simmental, using the top A.I. sires of the industry. Roy Schwake, General Manager, has been very selective in choosing the females for the cow herd and very critical on the donors selected for the Diamond Lady donor programs. Their donors have been top producers, with that progeny now resulting in several top Simmental and Simbrah herds across the United States.

Cole's Diamond C also produces many top fullblood Simmental bulls each year, many of them being top herd sire prospects and range bulls.

Mr. and Mrs. Charles Cole and Roy and Becky Schwake would like to take this opportunity to give you an open invitation to visit the ranch any time to view the cow herd and also attend the Stock Dividend II Sale September 6, 1986 and the press party September 6, at the ranch.

## Beef Production Expected to Decrease in '86

(CONT. FROM PAGE 58)

partly because of large feedlot placements last fall. Later, production should drop off. The beef output estimates are based on assumptions that the herd liquidation rate will not show a further increase, that fed cattle will be sold in an orderly way, and that average slaughter weights will decrease from the abnormally high levels of 1985.

"In the current situation in the industry, there are changes, and it is that cattleman constantly monitor the market and adjust as needed. The potential for change was demonstrated in 1985, when assumed reductions in beef production and a slowing of liquidation did not materialize."

It now appears that per capita beef supplies in 1986 will average 74 lbs., retail weight. This compares with 78.8 lbs. in 1985 and similar levels during the past several years. Average per capita supplies of all red meat and poultry totaled 218 lbs. in 1985 — a record high. The average should decrease by about 4 lbs. in 1986.

During the next few years, the per capita beef supply likely will drop to less than 70 lbs., the smallest average since 1983. Much depends on when the industry becomes profitable enough for herd liquidation to end and for rebuilding of breeding herds to begin. If liquidation were suddenly to end, there would be an immediate sharp reduction of beef output. As it is now, larger the average slaughter of cattle in breeding herds is contributing a significant amount to total beef supplies. Also, heavier average slaughter weights on fed cattle have kept beef output from decreasing, in spite of declining cattle slaughter.

Feeder cattle as well as fed cattle prices should show some improvement in the next few years. However, much depends on grain prices and government programs as well as fed cattle prices. Currently, because of limited free stocks, feed grain prices are higher than previously expected.

Because of financial problems among producers, an uncertain outlook and credit limitations, it is not likely that there will be any herd expansion in the near future. The calf crop has been decreasing in size, and that trend inevitably will continue until profitability returns to most cow-calf operations. Commenting on the current situation, Thorpe observed, "The feeding industry now is very current in its marketing, and it's critical that feedlots remain current. Recollections of last year, when the industry became 'saturated' and lost bargaining position, should encourage the industry to remain current now."

# Simbrah

"Our records show that these Simbrah-cross steers performed in the top 10% of all cattle fed this year. We'd like to have more just like them!"

Records on 207 head of Simbrah-sired steers fed at the Caprock Industries, Gruver, Texas feedyard show a list of impressive statistics. The steers indexed at 111% (standard is 100%) in overall feeding performance, which was computed against records going back ten years. At the end of a 142 day feeding period the Simbrah-cross steers gained 3.85 lbs./day, had a conversion ratio of 6.1/1 and graded 75% choice with an average yield grade of 2.6. Put Simbrah bulls to work in your breeding program. They'll perform for you all the way to the bank.

Maine-Anjou News From  
Throughout North America

## Maine-Anjou Events Scheduled For Houston Stock Show

Houston, Texas - The Texas Maine-Anjou Association will sponsor a Maine-Anjou Sale at the Houston Livestock Show and Rodeo. The sale will be held in the Super Sale Salon, Wednesday, February 19, 1986. Sale time is 10:00 a.m.

The Southern Classic Maine-Anjou Show is scheduled for 8:00 a.m., Tuesday, February 18, 1986 in the Cattle Arena.

The Maine-Anjou Market Steer Show will be held beginning at 7:00 a.m., Thursday, February 27, 1986.

The Maine-Anjou Junior Breeding Steer Hoofbe Show will begin at 10:00 a.m., Sunday, March 2, 1986.

Entry forms and premium lists for the Houston Show are available from the Houston Livestock Show and Rodeo, Box 20070, Houston, Texas 77225.

## Additional Provisions For Grain Programs Are Announced

Washington, Jan. 20 (USDA)—USDA announces additional provisions for 1986 wheat and feed grain programs.

Sign-up for the 1986 wheat and feed-grain programs will be held March 2 thru April 1.

Producers may request 100% of their land diversion payments and 40% of their projected deficiency payments at sign-up.

Payment rates for the 25% yield land diversion for wheat and feed-grains are

## Maine Events

Feb. 19 - Maine-Anjou Sale, Houston Stock Show, 10:00 a.m.

April 12 - Nor-Tex Farms Annual Sale, New Braunfels, TX

April 28 - G&F Production Sale, San Saba, TX

\$0.57 for barley, \$0.78 for corn, \$0.38 for oats, \$0.38 for sorghum, and \$1.10 for wheat. (All rates per bushel).

Payment rate for additional land diversion option for winter wheat is \$2.00 per bushel.

Estimated per bushel deficiency payment rates are: barley \$0.95, corn \$1.08, oats \$0.45, sorghum \$0.98, and wheat \$1.83.

75% of the advance deficiency will be paid at sign-up, the remaining will be paid as payment-in-kind beginning May 1. Producers will have from May 1 thru Sept. 30 to request the PIK portion of their advance deficiency and/or diversion payments.

This is being called "Generic PIK." These PIK certificates will be issued in monetary amounts due the producers by ASCS. These certificates are not commodity specific, redeemable for any regular, special, or farmer owned reserve loan commodity. Producers holding commodities pledged as loan collateral must redeem that collateral to satisfy the PIK. The quantity of the loan that must be redeemed will be determined by CCC on the day the certificate is presented for redemption. Producers who do not hold a loan or whose loans are smaller than their PIK entitlements may sell their certificates.

Rice national average loan rate will be \$7.20 per cwt., and the rice target will be

# BRAFORD NEWS

## IBA Activities

March 7 - Dinner meeting of the Central Braford Breeders Association (CBBA) at the Holling Inn in Henderson, TX.

March 8 - CBBA Consignment Sale at Rusk County Agriculture Center, Henderson, Texas.

May - Field Day in Missouri - CBBA.

June - Field Day in Florida (Sponsored by the Florida Braford Association).

September - Field Day in Louisiana - CBBA.

October 3 - Bix R Ranch Production Sale in Nashville, Arkansas.

November 12 - Adams Ranch Sale in Fort Pierce, Florida.

Fall Sales - Alabama and Florida. Exact dates and locations will be published as events are scheduled.

## Multiple Generation Certificate

The new multiple generation pedigree certificate will be in use by February 1, 1986.

Applications for registry should include multiple generation information when available.

If both parents are registered with the IBA, the one generation can be determined from IBA records.

Additional generations must be supplied by the breeder on a separate document, which is the case of the F-1's.

## IBA Members:

When corresponding with the IBA office, please remember to include your IBA Number. Your IBA membership

## Braford Events

March 8 - Central Braford Breeders Assn. Sale, Henderson, TX

April 15 & 17 - Braford Vision Sale, Gainesville, TX.

May 31 - Birth Of A Breed Sale, Austin, TX

Oct. 3 - 68 Braford Production Sale, Nashville, Ark.

## Carlot Beef Opens Higher

Des Moines, Feb. 8 - Central U.S. carlot beef report (includes the major production areas in the Midwest, Texas and Oklahoma) as of 4:00 P.M. Compared to Friday's 4:00 P.M. report, choice 3 steer and heifer carcasses \$1.00 higher except 400-500 lb. heifers and YG-4's \$1.00-2.00 higher. Good heifers mostly steady. Early demand and trading was moderate to good but afternoon trading is at a near standstill as packers are holding offerings at additional higher price levels. Sales reported on 84 loads of steer and heifer carcasses.

3:30 P.M. FOB Omaha basis (includes production areas east of Rocky Mountain). Boxed beef movement and demand light. Supplies moderate. Prices steady to lower except some firmness on rib cuts. Some items very lightly tested, especially good grade product. Estimated gross boxed beef cut-out value of choice 2-3 550-700 carcasses down \$.08 at \$92.98, 700-850 lb. down \$.08 at \$92.04, good 2-3 carcasses down \$.13 at \$87.75 sales reported on 31 loads of boxed cuts and 6 loads of beef trimmings and boneless processing beef, 66 total loads.

## Futures Insight

Week Ending Jan. 30

The futures markets are as wild as a March Hare! Every market on every exchange can be counted on to give traders a thrill of one kind or another. Volatility and spectacular price moves are commonplace. And it appears that such an atmosphere is here to stay.

The stock market, metals, currencies, financials, the petroleum complex and the livestock complex are where most of the volatility is found. In any of these markets, on any given day, the price swings are breathtaking. A "quiet" day is an unusual day.

Traders that are fortunate to "catch" one of these markets just right are happy as can be. But those traders who find themselves "out of step" with the market soon find out that the results can be devastating.

This week I'd like to focus on the grain markets. It's not that I've purposely ignored the grains. But there has been so much activity in the surrounding markets that I haven't had ample space to discuss what's going on in the grain pits.

To the subscribers of my market letter, I put forth more ideas, information and suggestions that I do in this newspaper column. So, if you want more information about the markets, and you want it promptly, subscribing to my service may truly meet your needs.

Watching the grain markets over the past month or so has been frustrating. There has been very little activity. Price ranges have been narrow and interest in the complex has been minimal. The "action" has been in the surrounding markets.

Even though the grain markets have been relatively quiet, there is, most certainly, a "bull" case to be discussed that could thrust prices higher than today's settlements. For example, export business for U.S. grains remains brisk, thanks to a falling dollar. This week, the dollar fell to a 7 year low in Japan. The

Central U.S. carlot pork report FOB Omaha basis (includes the major production areas in the Midwest) as of 3:30 P.M. Compared to Friday's 4:00 P.M. report, fresh pork loins 14-18 lbs. generally steady, picnic and Boston butt 14-18 lbs. \$1.00-2.00 higher. Sides, bellies 14-16 lbs. \$.50 to \$.20 lower. Trade slow, demand light and of-ferings moderate.

U.S. No. 2 176 lb. pork carcasses cutout value declined \$.30 to \$59.95 per Cwt. Sales reported on 18 loads of fresh pork cuts and 0 loads of trimmings and boneless processing pork.

Asked about the first day of school, a kindergarten offered his considered judgment: "I learn a lot of stuff there, but it sure cuts into my day."

Russians seem to be buyers of our corn, beans, and meal every week or so. And don't forget about the drought in Brazil. The damage has yet to be fully assessed. The Brazilian situation may still be the key to our bean market.

Two weeks ago, I became a "born again" bull in the cattle market. Since that time, the cattle market staged a good rally. Thanks to a record setting boxed beef movement and a bullish Cattle on Feed Report, the April contract rallied from a low of \$59.70 to \$84.00 in just seven trading days.

Continue to buy the cattle market on weakness. The April contract should rally to the \$66 to \$70 level before it expires. This stage is set for higher prices as spring draws near. And what could be more pleasant than knowing that the critters are headed higher in spring. And, need I remind everyone, it's in the springtime that fishing season begins.

If you would like more information about subscription costs for my market letter or brokerage services, please contact me at Midwest Livestock Marketing, Inc., Suite 185, 3600 West 80th Street, Minneapolis, Minnesota 55431. My toll free number is 1-800-555-2334.

## South Texas Polled Hereford Sale At San Antonio, Feb. 15

San Antonio, Tx. - The 26th Annual South Texas Polled Hereford Association Annual Sale will be held Saturday, February 16, 1986. Sale time is 2:00 p.m. at the San Antonio Livestock Exposition Sales Arena in San Antonio, Texas.

Selling will be a premier offering of bulls and females from premier breeders across the Lone Star State. All cattle will have been inspected by the sale committee for assurance of quality. Auctioneer will be James Birdwell. For information contact the Texas Polled Hereford Association, Ray Mahan, P.O. Box 70, Rio Vista, Texas 76093, 817/879-2525.

## Southwest Select Polled Hereford Sale Avg. \$1,821

A real nice crowd was on hand to attend the Southwest Select Polled Hereford Sale held during the Southwestern Exposition and Fair Stock Show on Saturday, January 26, 1986 in Fort Worth, Texas. Three and three-quarter bulls grossed \$11,950 to average \$3,189 and 7 females grossed \$7,625 to average \$1,089 for a total of 10% lots grossing \$19,575 to average \$1,821.

High selling lot was a consignment of Pharris Farms, Inc. of Hillsboro, Texas. PHF Achiver 417, a February 1984 son of Hotline, sold to Caylon May of Arkansas for \$2,800.

One-half interest and one-half possession in JBS JLC Hickory's U81 \$261, a September 1984 son of JBS Enforced Stick, sold for \$2,260 going to Roy Grenville of Llano, Texas for \$2,260. Flying A Ranch of Rosser paid \$2,150 to own HR Trademark 1277 1087, a February 1985 son of JLF Brigadier 1277 consigned by Herrie Ranch of Hillsboro.

The sale was managed by the Texas Polled Hereford Association and the auctioneers were Eddie Sims and Jim Birdwell.

## Polled Hereford Sires Earn Trait Status

Leading Polled Hereford sires have been recognized as 1986 Trait Leaders by the American Polled Hereford Association. The bulls achieved their Trait Leader status on the merit of the outstanding performance of their progeny in single traits as well as total performance. The bulls were the leaders among the 802 proven sires listed in the 1986 Polled Hereford Sire Summary.

Fifteen Polled Herefords were

recognized for overall excellence in total performance division, combining birth weight, weaning weight, yearling weight and maternal performance. The bulls were BCR Improver, BTJR Quade 804M, Declarado 402K, FHR Pioneer 520, GK Beau Victor 184H, GZ Justification, Justa 428E, Mainline 888, Kinabrer Justin 7115J, PRL 590K, Rader 847N, Reenforcement, RHF Dancer 9314 2168, RHF Victor 212 767, RHP Victor 266 964, Vindicator and Woodcrest Destiny.

The number one 1986 Trait Leader yearling weight is BTJR Driver 88. This is the third consecutive year he has held this distinction. He earned this with an estimated progeny difference (EPD) for yearling weight of +31.8.

Leading the lineup of weaning weight Trait Leaders was TOP BT U-Awesome 028. The outstanding sire has his sons and daughters earned him a weaning weight EPD of +60.5.

In the birth weight category, GZ Kinabrer 11 hung on to his number one ranking for the second straight year. His birth weight EPD was -1.4. Graystone Granite climbed into the number one slot in the maternal performance division with a maternal EPD of +33.8. This figure represents the expected increase, above the average, a weaning weight for the first calf produced by each of Granite's daughters.

This is the fifth annual edition of the Polled Hereford Sire Summary published by the APHA. The data give Polled Hereford breeders and commercial cow-calf producers a unique collection of information to guide them in selecting sires for use in their own individual breeding programs. Performance data on which the Sire Summary is based is gathered by breeders throughout the United States and analyzed by APHA data center.

## South Texas Feedlot

San Antonio, Jan. 30 - Slaughter steers not well established. Slaughter hollers steady early, but lower late. Trade and demand low. Many feedlots not selling as many steers as necessary, therefore they are selling over cattle. Show lots will steadily increase in the upcoming weeks. Most buyers prefer a moderate slaughter requirement. A major producer is reducing his slaughter by 40%. Sales confirmed on slaughter steers most on the rail. 3,500 slaughter hollers. Steers with and choice 1-2, 1000 to 57.50-58.00. Hotters: good with choice 1-2, 700-950 lbs. 55.00-57.50, 55.00-56.50 lots. Few loads 500-600 lbs. 57 going out of state. Good 1-2, 600-65.00.

All the beautiful sentiments in the world weigh less than a single lot of cattle.

## Blonde d'Aquitaine Double Header Is Scheduled

The first of the Texas Blonde d'Aquitaine Foundation's Spring Classic Doubleheader will take place at the Houston Livestock Show and Rodeo at 3:00 p.m. on Wednesday, February 19. It will feature the First Houston Open Blonde d'Aquitaine Breeding Show. A total of 53 fullblood, domestic purebred and 1/4 percentage blonde breeding stock have been entered. All entries are registered in the United States. Breeders from Texas, New Mexico, Utah and Oklahoma are looking forward to competing for the \$4,000 prize money to be awarded. Judging the show is Hollis Chapman from Louisiana State University.

Thirty females have been entered in six classes for heifers 7 months to 2 years of age. Thirty-three bulls are entered in six classes ranging from 6 months to 3 years. In addition, there will be three special classes - Pair of Females, Pair of Bulls, and Breeder's Herd.

The second half of the doubleheader will be at the Victoria Livestock Show on Friday, March 7, 1986. On that day at the Community Center in Victoria, Texas, the TBAP will host an Open Breeding Show at 9:00 a.m. and the Spring Classic Sale at 7:00 p.m.

For additional information on the Spring Classic Doubleheader, watch for our advertisements and articles in the Weekly Livestock Reporter, Texas Farm and Ranch News, Cattleman, Independent Cattleman, and Gulf Coast Cattleman.

## Blonde Breeders United, Meeting At Houston Set

November 9, 1985 will long be remembered as a significant turning point for the Blonde d'Aquitaine breed in the United States. On that date, Blonde d'Aquitaine breeders throughout the United States were united under the banner of the American Blonde d'Aquitaine Association.

After years of discussion and negotiation and months of detailed preparation, members of the American Blonde d'Aquitaine Association and the National Blonde d'Aquitaine Foundation crowded into the conference room of a Dallas hotel to vote for merger of the two breeder organizations. In both organizations, the vote was lopsided in favor of the merger. Following the vote, members could be seen congratulating each other in the halls and talking enthusiastically of plans for the breed and for the new united voice of the Blonde d'Aquitaine breed.

Harry Watkins, a prominent Blonde breeder from Uvalde, Texas, and President of the new American Blonde d'Aquitaine Association, said "This is a great day for Blonde breeders everywhere. It is so exciting time to be involved with Blonde cattle. There has never been a time in history that the needs of the beef industry have been so clearly focused on traits where Blonde cattle excel: lean meat, high cutability and unsurpassed efficiency. Now, old and new breeders alike can move forward with plans to exploit and profit from these traits with confidence that there is a united American Blonde d'Aquitaine Association behind them. This removes the greatest remaining uncertainty in raising Blondes."

Work will begin to consolidate the registration records of the ABA and the NBAP, as well as the state official papers are approved by state officials according to Donnie Halterman of Forum, Oklahoma, Secretary of the American Blonde d'Aquitaine Association. "The new computer facilities which were recently put into service by the NBAP will simplify this task and result in both better records and better service to our breeders," Halterman said.

Throughout the two days of meetings in Dallas, Andy Anderson could be seen moving through the crowd promoting the Open Blonde d'Aquitaine Breeding Stock show that will be held on Wednesday, February 19, 1986, at the Houston Livestock Show and Rodeo. Anderson, who is a Director of the

## Houston Stock Show Sets Sesquicentennial Celebration Feb. 18

Houston - The Houston Livestock Show and Rodeo has announced a major change in 1986 Show scheduling to accommodate a spectacular birthday party for the state of Texas and the city of Houston.

Show President Joseph T. Ainsworth, M.D. disclosed plans for a special Sesquicentennial celebration topped off with a full length concert by Willie

Joanor, Iowa Falls, Iowa; Floyd Schneider, Wakeeney, Kansas; "Buddy" Smith, Agri Management Systems, Maxwell, Texas; Harry Watkins, Watkins Blondes, Uvalde, Texas; and Frank Wilsey, Golden Giant Cattle Co., Muskogee, Oklahoma.

For more information on Blonde cattle or membership in the new breeders organization, you may contact: American Blonde d'Aquitaine Association, c/o Harry Watkins, President, 1042 Garner Field Road, Uvalde, Texas 76801, Phone: (512) 278-3213 Office, (512) 278-6150 Home.

Nelson to be held Tuesday, Feb. 18, 1986 at 7:45 p.m.

The extravaganza, entitled "A Salute to Texas and Houston - 150 Years of Greatness," opens the 1986 Houston rodeo and will include an exciting blend of marching bands, orchestras, choirs, costumed participants, special effects and pyrotechnics. Based on the size and complexity of this event, no rodeo performance will be held on this date.

Renowned organizer and consultant Charles R. Corson has been retained by the Show to direct the spectacular. Corson has had extensive experience in the entertainment industry, serving as casting director for Walt Disney Studios and vice president and general manager of production services for Radio City Music Hall. He was also actively involved in the opening and closing ceremonies of the 1984 Summer Olympics in Los Angeles.

Tickets for the event are \$8.50 and \$4.00 and may be obtained by mail order only. Ticket requests may be mailed to: Ticket Director, Houston Livestock Show and Rodeo, P.O. Box 25395, Houston, Texas 77256-5395. A \$1.00 handling fee applies with a limit of 30 tickets per purchase.

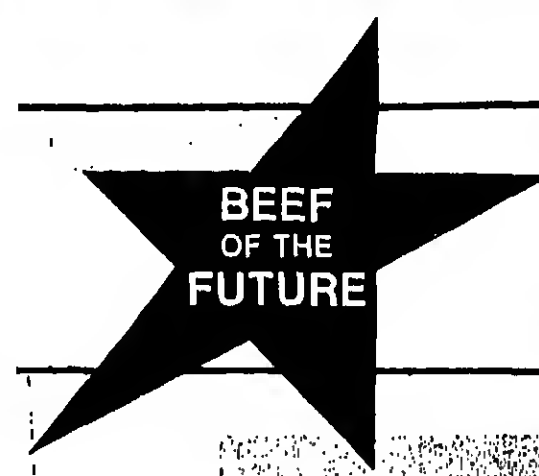

To further celebrate the Sesquicentennial, Ainsworth announced the presentation of a life size bronze statue entitled "Dreams and Memories" to the citizens of Houston and Harris County. This announcement was addressed to Mayor Kathy Whitmire and Harris County Judge Jon Lindsay.

"This sculpture depicts the idea that our organization has a solid foundation with a firm commitment to the future. We've seen this same idea reflected in both Houston and Harris County and wanted to present the statue in this year of celebration," Ainsworth said.

The Show will dedicate the bronze statue, sculpted by Jim Reno of Kerrville, Texas, to Houston and Harris County in early February of next year, when it will be permanently placed between the Astrodome and Astrodon complexes.

The 1986 Houston Livestock Show and Rodeo opens with horse show competition Wednesday, Feb. 12, with rodeo events beginning Wednesday, Feb. 19. All events conclude March 2.

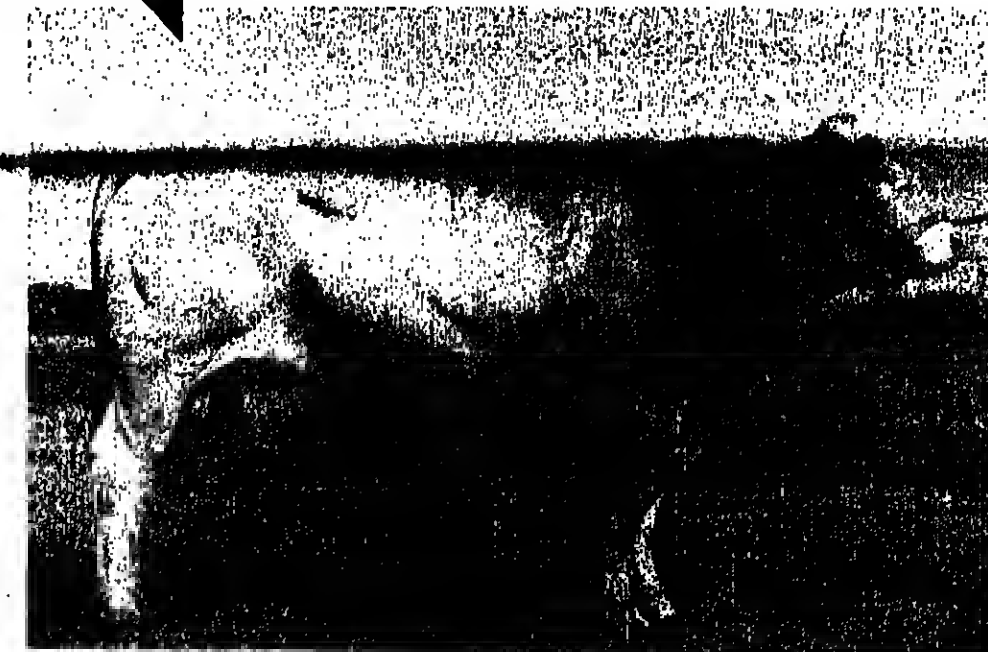

If you think practice makes perfect, the chances are that you never had a young son taking music lessons.

# **National Brahmousin Sale at Houston Set for February 18**

Houston, TX — The 1986 National Brahmousin Sale will be a showcase for the most outstanding set of Brahmousin cattle ever assembled for public appraisal. Forty-two lots from nineteen consignors will sell in Houston at the Shamrock Hilton, 2:00 p.m. Tuesday, February 18th.

This will be the third national sale and according to sale chairman Carl Detering, Jr. the quality and selection are the highest to date. Says Detering, "We have tried to put together a very useful lot of breeding age cattle featuring the finest genetics available in the breed. We have encouraged our consignors to dig deep into their herds and bring their best to Houston. We are very pleased with the offering and anticipate broad acceptance of this outstanding set of young useful cattle."

The goal of the National sale has traditionally been to offer frontline Brahmousin genetics to seedstock producers and to provide a showcase for the top animals in the breed. This year's sale will be no exception. Foreign and purebred heifers, many bred to the most popular bulls, will be a highlight of the sale. Additionally, a strong bull offering will provide bull buyers the opportunity to add proven genetics to their Brahmousin programs.

With the broad and strong acceptance being experienced by the Brahmousin breed it is important to remember that the quality of genetics on which the breed is based will provide the foundation of long term success for the breed. Consignors can feel secure that the cattle in this third National Sale will be stout, mainstream cattle that will shape the future of the Brahmousin breed.

For more information or catalogues contact Carl Detering, Jr., 713/643-3988 or American Cattle Services 405/335-3006.

The writer does the most who gives the reader the most knowledge and takes from him the least time.

Shamrock Hilton, Houston**

# **TRIQUE**

Trique is a great French female with a bright future. She is sired by Octuor, known in France for siring big, east doing cattle. She has certainly done an outstanding job mated to Quarterback and Napoleon at HLR.

# **Limousin, Brahmousin Activities At Houston**

Crowley, TX - Houston '86 - "Simply Sensational" is the theme for the upcoming Limousin and Brahmousin activities held February 17-19, during the Houston Livestock Show & Rodeo in Houston, Texas. A schedule of meetings, sales, special judging competition, banquet and queen contest will greet breeders and families from across the nation.

The Shamrock Hilton Hotel, located at 5900 South Main Street has been designated as the Texas Limousin Association headquarters.

The American Brahmousin Council annual membership meeting will kick-off the activities at 3:00 p.m., Monday, February 17, 1986.

Everyone is encouraged to attend the Texas Limousin Association annual membership meeting at 9:00 a.m., on Tuesday, February 18, followed by the TLA Board of Directors meeting. A record keeping workshop conducted by Dr. Wynna Vanderwert, NALF, Denver, Colorado, is scheduled for 11:00

a.m. The workshop will be an ideal opportunity for new or established breeders to stay abreast of NALF program procedures.

Following at 1:00 p.m. that evening will be the Brahmousin pre-sale party and National Brahmousin Sale set for 2:00 p.m. in the parking lot of the Shamrock Hilton Hotel.

One highlight of the TLA activities is the annual banquet and queen contest, which is planned for Tuesday evening. A group of young ladies will be competing for the title of 1986 TLA Queen. The winner will receive an array of prizes and cash from the association and many of its breeders.

The Astorhall Arena will be the site of the open Limousin show, with over 150 entries paraded before Judge J. J. "Bud" Prosser, Mend, Colorado. The Limousin show will begin at 8:00 a.m. Wednesday, February 19. The show will be followed immediately by the "Parade of Champions" sale cattle which gives everyone a front seat view of the sale animals. A pre-sale party will take place at 2:00 p.m. in the Limousin alley and will be followed by the Houston '86 Sale.

## **National Western Red Angus Show**

(CONT. FROM PAGE 12B)

Baroka 8008, shown by Leachman Cattle Company.

The senior heifer was Leachman Red Girl 4289, with the reserve champion senior heifer being Leachman Abzarka 8087, both shown by Leachman Cattle Company. Champion bull calf

was Red Quattro Redman 61T, shown by Quattro Cattle Company of Alberta, Canada. Reserve champion bull calf was Red Top Class of '86, shown by Leachman Cattle Company and Red Top Angus Ranch of Alberta, Canada.

For additional information on the Houston '86 activities, contact the Texas Limousin Association, P.O. Box 239, Crowley, TX 76036 or call 817/297-2462.

## **Growth In Services Creates Medina Valley Genetics**

The new year has brought us a new name Medina Valley A.I. Lab, Inc. is now name necessitated by the expansion of our services beyond the artificial insemination field.

Medina Valley A.I. Lab, Inc. was founded by Dr. M. W. Sharp and David Elliot in the pioneer days of artificial insemination. Both custom semen processing and A.I. service were offered, but as our technical capacity advanced under the leadership of present owner Ken Pervey, and with the corresponding need of our customers for new services, we have expanded our operation to its present position as the most complete bovine reproduction center in the Southwest.

Medina Valley Genetics offers a complete line of services, including semen processing, semen sales, embryo transfer (including semen and embryo sales), custom A.I. breeding programs, service routes for our semen customers, A.I. training schools and herd management consultation.

While we are recognized throughout the United States as a leading A.I. collection center, we felt that the time was right to include our other services in a company name that would reflect our commitment to offering a total package of services to the cattleman.

Medina Valley Genetics, Inc. will maintain the same group of dedicated people offering a wide variety of quality services. Valitors are always welcome at Medina Valley Genetics. Come by and see the way we do business. MVG has 24 Bldg. the Personnel, and the Service fit your breeding program.

We have a good selection of the best genetics available from most breeds. Whether you are in the market for semen, embryos, or just quality service, you are sure to find it at Medina Valley Genetics. This is our Bull Collection Service. Come by and see the best Brahman, Brahman, Brangus, Santa Gertrudis, Simbrah and others being collected. We have outstanding proven herd bulls and herd bull prospects.

William Callaban of North Platte, Nebraska.

In the pens of bulls - champion pen of three bulls went to Penhandle Cattle Company of Lakeview, Nebraska, with the reserve champion pen going to Anthony Deto of Hill City, South Dakota.

## **Feeder Cattle Strong Again**

St. Joseph, Jan. 31 (USD) - National Feeder Cattle and Calf market was 171,200, last week 168,000, up 3,200. Despite lower prices, prices continued good while local feeders. Feeder steers and calves to 8.00 higher this week, the easy lion South Dakota steady in 1300s. Mild January weather and USD's report of reduced numbers of cattle in feed factors improving demand being part of Midwest, West and South in need of moisture.

## **Arizona National Brangus Show Among Toughest**

Sunny skies and top-notch cattle were prevalent at the 1986 Arizona National Brangus Show in Phoenix as Judge Jarold Callahan, Bellview, OK, presided the 77 head of Brangus cattle brought before him.

Wright's Brangus, Ponca, CO proudly displayed their late junior yearling entry, 7-7 Ma N22 Tiny 428 to grand champion and junior champion female honors. A March 5, 1984 daughter of Brinks Tiny 302M22, she is out of the Miss Diamond - A 10A cow. Taking the reserve grand champion female and reserve junior champion trophies home to Texas was National Pride Cattle Co., Hurst, with their March 1984 daughter of Granada of Brinks Kallie.

Claiming heifer calf champion recognition was Miss Cawley 616, sired by

## **FOUR GREAT FEMALES ONE FLUSH FROM EACH!**

- ★ Lili BonaParte
- ★ Hampton Piaff
- ★ Oakley Princess
- ★ Goldies Victoria

Study the pedigrees from each of these powerful females. One flush from each will sell with a guarantee of five (5) pregnancies from each flush. Terms are one-half down at the time of purchase, with the balance pro-rated with the delivery of each pregnancy recipient. Purchaser may select any herd sire from the Pinewood Farms herd sire battery or the bull of his choice. A tremendous opportunity for genetic advancement.

## **E.T.'s From Jillian & Heroine**

Two pregnancies from each of these great females will sell. Both have proven track records in embryo transplant and with such sires as Easy Jet and Gendarme, you can't miss!

## **Pick Of The Litter!**

Pinewood Farms is offering an innovative approach in the opportunity to select from the entire heifer calf crop from the 747 X family matings. Not often does one have the chance to "pick of the litter"!

### Timberland All Breed Bull Sale

Center, Texas - The Timberland All Breed Bull Sale will be held Saturday, February 22, 1988. Sale time is 1:00 p.m. at the Center Auction Company, Inc., Center, Texas.

Selling will be 85 bulls including Beefmaster, Simmental, Red Angus, Gray Brahman, Brangus, Angus, F-1 Brahman x Angus, Red Brangus and Charolais. For information contact the auctioneer and sale manager, Gayle Ingram, Box 879, Quitman, Texas 76783, 214/878-2225.

**Every producer has the same objectives:**  
To ship the biggest possible calves with the kind of conformation buyers are willing to pay top dollar for. Your first Beefmaster bull can be a giant step in the right direction. Your calves will be heavier, and they'll be the right kind... the kind the feed lot operators want. Take that first step with Beefmasters. It could be the most profitable step you'll ever take.

Contact any of these members of the Central Texas Beefmaster Breeders Association for additional information.

# Lone Star All Breed Bull & Female Sale, Feb. 22

Wickett, Texas - The Lone Star All Breed Bull and Female Sale will be held Saturday, February 22, 1986. Sale time is 10:00 a.m. on the female and 1:00 p.m. on the bulls. Lunch will be available.

at the Lone Star Testing Center at Wickett, Texas. Selling will be 150 range bulls and 800 replacement females. The offering will include Hereford, Brahman, Braford, Beefmaster, Barzona, Red Brangus and Simbrah. For information contact Massey and McElroy, 9900 West 1-20, Box 6559, Midland, Texas 79711, 915/682-4481 or Sam Massey 815/943-2217 or Earl McElroy 916/882-0570.

## Wool & Mohair

Greeley, Jen. 80 (USDA) - Trading on domestic wool moderately active for available supplies which mainly originate from the early shearing in Arizona. Several clips totaling approximately 250,000# have recently sold in-

## Dalhart, Texas

Amartillo, Jan. 31, (F-B) - Rocapita 5,850. Feeder steers 800-900 lbs. 1.00-2.00 lower, 300-800 lbs. 2.00-5.00 higher, with instances 7.00-8.00 higher. Feeder heifers 600-800 lbs. 1.00-2.00 lower, 500-600 lbs. 1.00 higher, 300-500 lbs. heifer calves 3.00-5.00 higher. Feeder steers medium and large frame no. 1: lot 868 lbs. 84.75, other 300-400 lbs. 78.00-88.00; lot 408 lbs. 81.25, other 400-500 lbs. 69.25-78.50; lot 806 lbs. 70.20, other 500-600 lbs. 68.75-68.50; 600-700 lbs. 68.50-66.50; 700-800 lbs. 82.00-65.00. Medium and large frame including couple clips near the first of January. Bulk of wool staple 32S and 64S ranged 81-74.5 cents grease FOB loading point with upper end for mostly 64S; few clips low yielding and/or mixed length and grade 55-58 cents. Few loads territory states ranged mostly \$1.10-1.25 clean delivered and part load in the midwest 68.5 cents grease FOB with part load 18 month ewe wool 85-85 cents to the producer. Foreign wool markets steady in their respective currencies which translates into 2-3 cents higher U.S. money due to the falling dollar value. Demand good at auctions with AWC purchases less than 4% of the offerings. Limited shearing underway on Texas mohair but demand very light with the only activity noted on 100,000# of spring adult mohair contracted at \$2.80 grease. FOB warehouse this week following a contract of 40,000# inst. week at \$3.00.

## Florida Directs

Winter Park, Jan. 31 (F-B) - Slaughter 925; feeder 1,100. Slaughter cows on case basis 1.00-3.00 higher; feeder steers and heifers 2.00-4.00 higher in limited lots, full upturn on steer calves. Good demand for light offerings. Slaughter heifers: 45 head mostly good, end of choice, 2.3 1040 lbs. mixed heifers and heifers on carcass basis 345 lbs. at 60.00; 50 head No. 1-2 slaughter heifers on carcass basis 500 lbs. at 75.00-78.00, lot sales \$20.00-25.00 carcasses 80.00.

AVOID CHANGING WELL LEATHERS FOR MANY YEARS

Perma-cups are molded urethane, more wear resistant than nylon. Perma-cups will outlast leathers 10 to 1. Their tapered design allows only 1/8" wear, instead of 5/8" of a leather. Much less friction for easier pumping extends cylinder life greatly. Perma-cups must be used in a good or new cylinder, as they do not swell. Install Urethane Perma-cups, Urethane Check-bells, and Urethane Pump Rod-guides, and don't pull that well for many years. Thousands are in wells that have not been relined in 9 years! All are available in standard cylinder and pipe sizes. Write or call for our catalog. We ship same day order is received. Serving Farm and Ranch Since 1950.
